

## **Hello Interested McKinleyville Trails People,**

At the July McKinleyville Municipal Advisory Committee meeting, an Ad hoc committee was formed to address walking, biking and other non-vehicular access issues in McKinleyville. The objective of this committee is to advance the work of McKinleyville Trails Coalition, specifically to enhance non-vehicular transportation options and access within and connecting to McKinleyville. This MMAC Ad Hoc committee will provide a documented public process to increase public involvement in and funding opportunities for walking, biking (and other modalities) improvements. We welcome your participation in this committee and hope you can attend our first meeting on Wednesday August 21, 2019 from 6:00-8:00pm. Meetings will take place on the third Wednesday of each month. We are eager to get started so we can prepare proposals for important Caltrans funding opportunities this Fall. Please RSVP if you can attend the first meeting and contact Mary Burke or me if you think there is someone who needs to be invited and is missing from our group list.

Sincerely,  
Co-chairs for Ad Hoc Committee  
Mary Burke ([maryburke95519@gmail.com](mailto:maryburke95519@gmail.com))  
and Maya Conrad ([mayaconrad@gmail.com](mailto:mayaconrad@gmail.com)),
