9 **ROLL CALL**

10 Commissioners present were Dubois, Glover, Leamon, Lochtie, Miller and Weston.

13
14 **SPECIAL PROGRAM**

15 There was no pre-determined agenda except for presentations by Glover, Lochtie,
16 and Miller of HRC history, functions, goals, and limitations.

17
18 After the initial presentations were completed the conversation was turned over to
19 the audience of approximately 30 people. The event was broadcast live on KMUD
20 radio until 3pm. A listing of most subjects raised by the audience was maintained
21 by Lochtie (a version of that was to be made available to the full commission at the
22 next regular meeting).

23
24 Although a couple of attempts were made to broaden the subject matter, it was
25 clear that the primary issues on the minds of the audience were lawlessness,
26 property and homeless rights, drug use, and lack of services.

28 **Adjournment**
