Minutes

I. **Call to order**

Chief Probation Officer Shaun Brenneman called the meeting to order at 12:15pm. In attendance was The Honorable Gregory Elvine-Kries, Klark Swan from the Humboldt County Office of Education, and Division Director Darren Ghisetti.

II. **Report out on CCP Executive Committee meeting 02/15/2023**

Review agenda items covered, discussions held and actions taken.

Shaun Brenneman summarized the one agenda item from the previous meeting, which was a request for funds by the Humboldt County Sheriff's Office to install a surveillance camera in the holding cell for inmates before they attend court. It was passed unanimously by the committee.

Shaun Brenneman also mentioned there was a review of the committee's trust. Right now, the trust is in a good place, but there is concern that the state budget is going to negatively impact the trust in the future.

Shaun Brenneman also discussed that probation numbers are currently increasing, including success rates. However, he also noted that the jail is still not running at full capacity, which would lengthen the violation process and therefore deflate unsuccessful numbers.

It was around this point that Klark Swan introduced themselves. Shaun Brenneman mentioned that the CCP meetings are primarily focused on adult matters and that other meetings might be more appropriate for someone interested in K-12 aged individuals. Klark Swan then left. Afterwards, noting that only The Honorable Judge Elvine-Kries was in attendance from outside the probation department, the meeting was adjourned at 12:21pm
