Minutes

I. Call to order

Probation Division Director Darren Ghisetti called the meeting to order at 12:15pm. In attendance was District Supervisor Natalie Arroyo, Probation Analyst Sean Zadarnowski, and Probation Administrative Services Officers Lydia Thrash and Lauren Lund.

II. Report out on CCP Executive Committee meeting 08/16/2023

Review agenda items covered, discussions held and actions taken.

Director Ghisetti provided a brief overview of the discussion items that took place on August 16th.

- Review of CCP funded positions.
- Summary of the new proposed Jail expansion project.

A detailed summary of these items can be found on the minutes from the HCCCP Executive committee meeting.

III. Update on CCP plan implementation

Brief review current status of CCRC staffing and Community Corrections

Partnership plan program service elements and other executive-body approved actions.

IV. Public Comment (as time permits)

Open discussion of the ongoing or emerging impacts on the community of Public Safety Realignment.

- Supervisor Arroyo reported out on her experience attending the Crisis Intervention Training conference with staff from other Humboldt County Agencies. She reported to have enjoyed what the conference offered and thought it was a good bonding experience for multiple agencies that attended.
- Supervisor Arroyo let Probation staff know that the Elections office is looking for ways to expand their outreach for voting eligibility. Director Ghisetti stated that if the Elections office had information that they would

like Probation to provide its clients, that Probation would be more than happy to facilitate that exchange through tools such as Career Hub.

- Lastly, Supervisor Arroyo had informed Probation that she had just received a tour of the Eureka VA facility and found that they had received funding that is allowing them to provide services to non-VA individuals. This could be another resource for Probation clients.

V. Take input for next month's agenda
