INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Supervisors
County of Humboldt
Eureka, California

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County of Humboldt (County) as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the County’s basic financial statements, and have issued our report thereon dated December 17, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County’s internal control. Accordingly, we do not express an opinion on the effectiveness of the County’s internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying findings and questioned costs, we identified certain deficiencies in internal control that we consider to be material weaknesses.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiencies described in the accompanying schedule of findings and questioned costs to be material weaknesses. (2014-001 and 2014-002)

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.
County’s Response to the Finding

The County’s response to the finding identified in our audit is described in the accompanying schedule of findings and questioned costs. The County’s response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the County’s internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
INDEPENDENT AUDITOR’S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM; REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY OMB CIRCULAR A-133

Board of Supervisors
County of Humboldt
Eureka, California

Report on Compliance for Each Major Federal Program

We have audited the County of Humboldt’s (County) compliance with the types of compliance requirements described in the OMB Circular A-133 Compliance Supplement that could have a direct and material effect on each of the County’s major federal programs for the year ended June 30, 2014. The County’s major federal programs are identified in the summary of auditor’s results section of the accompanying schedule of findings and questioned costs.

Management’s Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor’s Responsibility

Our responsibility is to express an opinion on compliance for each of the County’s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the County’s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the County’s compliance.

Opinion on Each Major Federal Program

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2014.
Report on Internal Control Over Compliance

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County’s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County’s internal control over compliance.

A **deficiency in internal control over compliance** exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A **material weakness in internal control over compliance** is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A **significant deficiency in internal control over compliance** is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by OMB Circular A-133

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County, as of and for the year ended June 30, 2014, and have issued our report thereon dated December 17, 2014, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditure of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

Galina LLP
Roseville, California

See accompanying Notes to Schedule of Expenditure of Federal Awards.
NOTE 1: REPORTING ENTITY

The accompanying Schedule of Expenditures of Federal Awards presents the activity of all federal awards programs of the County of Humboldt. The County of Humboldt’s reporting entity is defined in Note 1 to the County’s basic financial statements. All federal awards received directly from federal agencies as well as federal awards passed through other government agencies are included in the schedule.

NOTE 2: BASIS OF ACCOUNTING

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of the County and is presented based on Generally Accepted Accounting Principles. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Therefore, some amounts presented in this schedule may differ from amounts presented in or used in the preparation of the basic financial statements.

NOTE 3: RELATIONSHIP TO FINANCIAL STATEMENTS

The amounts reported in the accompanying Schedule of Expenditures of Federal Awards agree, in all material respects, to amounts reported within the County’s financial statements. Federal award revenues are reported principally in the County’s financial statements as intergovernmental revenues in the General and Special Revenue funds and grant revenue in the Enterprise funds.

NOTE 4: SUBRECIPIENTS

Of the federal expenditures presented in the Schedule of Expenditures of Federal Awards, the County of Humboldt provided federal awards to subrecipients as follows:

<table>
<thead>
<tr>
<th>Federal CFDA</th>
<th>Program Title</th>
<th>Amount Provided to Subrecipient</th>
</tr>
</thead>
<tbody>
<tr>
<td>93.994</td>
<td>Maternal and Child Health Services Block Grant to the States</td>

## NOTE 6: PASS-THROUGH ENTITIES' IDENTIFYING NUMBER

When federal awards were received from a pass-through entity, the Schedule of Expenditures of Federal Awards shows, if available, the identifying number assigned by the pass-through entity. When no identifying number is shown, the County either determined that no identifying number is assigned for the program or was simply unable to obtain an identifying number from the pass-through entity.

## NOTE 7: LOANS WITH CONTINUING COMPLIANCE REQUIREMENT

Outstanding federally-funded program loans, with a continuing compliance requirement, carried balances as of June 30, 2014 as follows:

<table>
<thead>
<tr>
<th>Federal CFDA</th>
<th>Program Title</th>
<th>Amount Outstanding</th>
</tr>
</thead>
<tbody>
<tr>
<td>14.218</td>
<td>Community Development Block Grants/Entitlement Grants</td>
<td>$1,699,807 $275,971 $(94,022) $1,881,756</td>
</tr>
<tr>
<td>14.239</td>
<td>HOME Investment Partnerships Program</td>
<td>14,241,924 337,198 $(40,682) 14,538,440</td>
</tr>
</tbody>
</table>
NOTE 8: **TOTAL FEDERAL AWARDS EXPENDED BY CFDA NUMBER**

When there is more than one program under a single CFDA number, the Schedule of Expenditures of Federal Awards totals all programs under the one CFDA number. Occasionally, however, this total could not be conveniently displayed because all programs under one CFDA number were not contiguous. When this occurred, this total is not shown in the Schedule, but instead is provided below:

<table>
<thead>
<tr>
<th>CFDA No.</th>
<th>Total Federal Expenditures</th>
</tr>
</thead>
<tbody>
<tr>
<td>14.253</td>
<td>$ 283,720</td>
</tr>
<tr>
<td>16.579</td>
<td>180,297</td>
</tr>
<tr>
<td>16.738</td>
<td>293,125</td>
</tr>
<tr>
<td>17.258</td>
<td>376,530</td>
</tr>
<tr>
<td>17.259</td>
<td>449,772</td>
</tr>
<tr>
<td>17.278</td>
<td>759,051</td>
</tr>
<tr>
<td>93.104</td>
<td>810,994</td>
</tr>
<tr>

Financial Statement Findings

Year-End Closing and Procedures 2014-001
Reconciliation of General Ledger Accounts 2014-002

Section 3

Federal Award Findings and Questioned Costs

None Reported
Finding 2014-001
Year-End Closing and Procedures

Criteria

Year-end reconciliations and adjustments for activity type allocation will ensure meaningful and accurate financial statements and reports that can be used to help in the management decision-making process.

Condition

During the audit, we noted that the County uses numerous accounts to reflect transfers-in and transfers-out as well as interfund activities without a proper reconciling schedule for these activities. Further, the capital assets reconciliation in the general ledger was made in one entry recording net of current year activity. The year-end reconciling journal entry that nets all these activities does not reflect allocation of those activities to corresponding accounts on the Income Statement. Additionally, the County does not currently record all of our year-end audit adjustments.

Cause

The County currently does not have a process in place to update and reconcile year-end schedules that would ensure accurate reporting.

Effect of Condition

The lack of a reconciliation process at year-end resulted in several significant audit adjustments to the County’s accounting records at year-end, especially affecting income statement, interfund transactions and capital assets.

Recommendation

We recommend the adoption of a policy whereby year-end closing schedules are developed, year-end closing checklist is compiled, procedures are written, external staff familiar with processes is involved while overseen by the Auditor-Controller Office.

Management Response

These issues regarding inaccuracies in the closing process are persistent problems that arise from the decentralization of accounting controls in this organization. Checklists, schedules and procedures are all useful, and we are willing to issue those along with our standard closing memos, but unless there are an adequate number of qualified accountants to oversee these processes our results are unlikely to improve significantly. The Auditor-Controller does issue year-end closing memos describing the information to be gathered and reported, but the quality of information coming from outlying departments is contingent on the training and diligence of the departmental staff. If fiscal staff is not appropriately trained and motivated they won't be able to use the checklists and schedules correctly. If the Auditor-Controller had adequate staffing to oversee the closing processes at the departments the result would be better quality financial data and enhanced fiscal control. The likelihood of gaining additional accounting personnel to oversee the closing process is, at present, remote due to budgetary constraints. It may be possible to contract with outside expert accountants to assist with the annual close for short periods, and we will explore that possibility and associated costs.
Finding 2014-002
Reconciliation of General Ledger Accounts

Criteria

Frequent reconciliations and adjustments will ensure meaningful and accurate financial statements and reports that can be used to help in the management decision-making process.

Condition

During the audit, we noted several significant account balances such as capital assets, interfund transfers and long-term liabilities that were not reconciled in the general ledger. While the County was able to produce reliable schedules to support its account balances, these balances were not reflected in the general ledger. Additionally, the County does not currently record all of our year-end audit adjustments.

Cause

The County currently does not have a process in place to update its general ledger to reflect its supporting schedules for certain account balances, including capital assets, interfund loans and transfers and compensated absences.

Effect of Condition

The lack of a reconciliation process at year-end resulted in several significant audit adjustments to the County’s accounting records at year-end.

Recommendation

We recommend that reconciliations of significant accounts, including capital assets, interfund loans and transfers, and long-term liabilities be performed at least once a year prior to closing to ensure that the County’s general ledger is accurate. Also, we recommend the County modify its chart of accounts to include identifiable accounts for significant account balances that should reconcile throughout the year such as interfund transfers and advances which are currently being recorded to various account numbers.

Management Response

We can modify our chart of accounts to more clearly identify interfund activity and eliminate misleading revenue/expenditure postings. This has been a focus of our accounting efforts in recent years.

We can also work more closely with our external auditors to implement a schedule of adjustments that will conform to our chart of accounts and bring our general ledger into agreement with the external auditor's records. Communications with the external auditor continue on this issue.
Finding 2014-002
Reconciliation of General Ledger Accounts (continued)

Management Response (continued)

Reconciliation of accounts is a critical measure in providing a sound control environment. Reconciliation is a task performed by qualified accountants, and the few accountants we have in the Auditor-Controller's office are fully occupied by account reconciliation, among their other duties. However, given the size and complexity of this organization, not enough reconciliation is occurring. The standard remedy for this situation would be to hire more accounting staff, however, as noted earlier, that may not be practical given the budgetary constraints currently facing the County. An alternative would be to bring in an accounting contractor on a temporary basis at year-end to assist with closing reconciliations. There are reputable accountants with extensive governmental experience who take these sorts of temporary assignments and we shall explore the practicality of that option.
COUNTY OF HUMBOLDT

Summary Schedule of Prior Audit Findings
For the Year Ended June 30, 2014

None Reported.
AVIATION PASSENGER FACILITIES CHARGES
THIS PAGE INTENTIONALLY LEFT BLANK
INDEPENDENT ACCOUNTANT’S REPORT ON THE PROCEDURES PERFORMED
PURSUANT TO FEDERAL AVIATION ADMINISTRATION REGULATION
(TITLE 14, CODE OF FEDERAL REGULATIONS, PART 158)

Board of Supervisors
County of Humboldt
Eureka, California

We have examined management’s assertion, included in the accompanying Schedule of Revenues and Expenditures and Changes in Fund Balance (Schedule) – Passenger Facilities Charges (PFC), of the County of Humboldt (County), complied with the requirements below for the year ended June 30, 2014.

The Schedule is the responsibility of the County’s management.

In connection with the examination referred to above, we applied the procedures enumerated below to the Statement of Revenues, Expenditures and Changes in Fund Balance – Passenger Facility Charges of the County of Humboldt for the year ended June 30, 2014. These procedures, which were agreed to by the County of Humboldt were performed solely for the purpose of meeting your contractual obligation with the Department of Transportation, Federal Aviation Administration. We applied the procedures enumerated below in accordance with Federal Aviation Administration Regulations (Title 14, Code of Federal Regulation, Part 158).

1. We examined the revenue received by collecting carriers and determined if those funds are being properly deposited into a separate interest bearing account.

2. We examined and verified that interest earned on such revenue, that amounts used on each project and the amount reserved for currently approved projects.

3. We examined the expenditures to ensure they are only for aviation capital projects.

These agreed-upon procedures are substantially less in scope than an audit, the objective of which is the expression of an opinion of the County of Humboldt’s Schedule of Revenues, Expenditures and Changes in Fund Balance – Passenger Facility Charges. Accordingly, we do not express such an opinion.

Based on the application of the procedures referred to above, nothing came to our attention that caused us to believe that the County of Humboldt was not in compliance with the control procedures specified in the Federal Aviation Administration Regulation (Title 14, Code of Federal Regulations, Part 158). Had we performed additional procedures or had we performed an audit of the County’s Schedule of Revenues, Expenditures and Changes in Fund Balance – Passenger Facility Charges matters might have come to our attention that would have been reported to you.

This report is intended for the information of management and various county, state and federal regulatory agencies and is not intended to be, and should not be, used by anyone but these specified parties.
