What a nightmare!! --

There is plenty of "land" to create parking lots -

McKinleyville is NOT getting smaller / or will remain the same population

The amount of commercial vacancies are already blatantly obvious --
Where are you going to find the businesses that will "fill" the vision of the new Town Center?

Why not work on creating incentives for decent "Franchise Restaurants" or "Home Improvement / Hardware Stores" to fill the vacancies??

(Forbid I mention the name that EVERYONE wants to come to this area) - What a huge coo that would be for this community!!

It would bring in business from ALL of the County -
