Chart 3: Which housing topics from today’s workshop would you like more information on? (n=33, multiple choice)

- Poll 4:** Did you find this community workshop beneficial? Please select all that apply.
- Yes, this was beneficial to me because I felt like I was able to engage with Humboldt County staff.
 - Yes, this was beneficial to me because I learned new information about housing in Humboldt County.
 - Yes, this was beneficial to me because I was able to interact with other community members in Humboldt County.
 - No, this was not beneficial to me.

Chart 4: Did you find this community workshop beneficial?
(n=18, multiple choice)

Poll 5: Do you have suggestions for additional Humboldt County training or resources regarding housing development? Or improvements to existing resources? Please describe.
(n=6, open-ended)

- "No, sorry."
- "I have two affordable housing products that are new tech... not something that the sources are used to dealing with. I'd like to meet and present these (continue with on) and see what we can do."
- "Provide webinars which include city representatives so that all Humboldt County residents can benefit from the info shared."
- "This workshop is great start for us to know more information and would like to have more workshops like this that we can communicate with the county planner directly. Thank you so much for trying."
- "Greater collaboration with entire region including cities in housing planning is important. Another important factor to consider is planning with sea level rise & planning to protect natural resources."
- "Assistance connecting property owners with affordable housing developers and/or non-profit affordable housing agencies."
