### Public comment open for 2022-2023 MHSA Annual Update

Community residents are invited to review and comment on the Humboldt County Mental Health Services Act (MHSA) Annual Update 2022-2023.

The comment period runs from May 25 through June 23. A public hearing is scheduled for June 23, from 12:15-1 p.m. and will be facilitated by the Humboldt County Behavioral Health Board via Zoom. Additional information on the public hearing will be available on the Behavioral Health Board's June agenda at <https://humboldt.gov/426/Behavioral-Health-Board>.

In 2004, California voters approved Proposition 63, or MHSA, which placed a 1 percent tax on personal incomes in excess of \$1 million. This revenue is used to develop and support local mental health programs for children, youth, adults and older adults.
