Please get rid of parking minimums. Many cities have done so and I've never heard of one who is sorry. Please eliminate the "leave as is" option for Central Ave. If it is not fixed, Central will never be more than a strip mall. Cyclists don't feel safe when there is no separation from cars and cars go too fast in those wide lanes for anyone to feel safe crossing on foot. I don't live in McKinleyville but shop there and bike through town and I see lots of bikes riding on the sidewalks because the street feels too dangerous.

Thanks,

Wendy Ring
