

Let's Make Everyone Count!

National Street and Shelter Point-in-Time Count

Jan. 23, 2026

The Point-in-Time (PIT) count is a collaborative effort led by the Humboldt Housing & Homelessness Coalition to conduct a county census of people experiencing homelessness. An accurate PIT count helps bring in resources to the county to address homelessness and housing.

Volunteers are needed during the morning hours of Jan. 23, 2026, to help with the count. Teams will be going out to various locations across the county.
