CONFORMANCE PLAN REVIEW

Name: _____

A.P. Number: _____

Application #: _____

Project Description: _____

To: Humboldt County Building Inspection

I am adequately knowledgeable in the codes so that in lieu of detailed specifications on these plans I guarantee that the building I propose to build will conform to the current codes. I further understand the field inspector will be making this portion of the materials compliance check in addition to the use and method of installation inspection.

(Applicant's Signature) Date: _____

Approved: _____ Date: _____
(Inspector's Signature)

Types of structures that qualify for conformance plan review:

Group U Occupancies: Private garages, carports, sheds and barns (Note: These structures shall be of conventional wood framed construction and not exceed one-story in height or 1,000 square feet).

Group R Occupancies: Residential remodels, decks, porches, and patios (Note: floor space cannot be added to residence).

Maximum Dollar Value of proposed Project: \$50,000.

Plans and Specifications:

With each application for a building permit two sets of plans will be required. Plans will need to include: Floor plan showing windows, doors, and electrical, plumbing and mechanical devices; cross-section showing interior and exterior wall and roof coverings and type, size, spacing and spans of all framing members; truss calculations if trusses are to be used. Plans need not be to scale, but must have accurate and complete dimensions.
