Subject: General Plan update

To the Humboldt County Planning Commission:

On behalf of the Foster Avenue Neighbors group, I wish to urge you to adopt Alternative A to the General Plan.

We have struggled for five years to uphold the integrity of Arcata's General Plan 2020 which has strict criteria for development, and it is our hope that the County will do its best to adopt policies that discourage urban sprawl.

We believe it is our responsibility to be good stewards of our forest and agricultural lands and conserve these irreplaceable resources for the benefit of not only ourselves, but those who follow.
