Planning Commission
County of Humboldt

Subject: General Plan – Forest Resources

Dear Chairman Smith and Members of the Commission:

We appreciate the opportunity to comment on the General Plan.

At a recent Commission meeting, staff stated that not all of the FRC recommendations are included in the matrix document being reviewed and discussed by the public and Commissioners. Could you please ask staff to identify which recommendations have been excluded?

We urge the Commission to insist **all** FRC recommendations be included somewhere in the matrix.

Thank you for spending the time necessary to assure the new General Plan reflects the communities' goals for future land use decisions.

Respectfully,

Kay Backer
