Commissioner Emad
Humboldt County Planning Commission

My name is Blake Lehman. I am a Real Estate Appraiser in southern Humboldt County. I feel I have many innovative ideas concerning the General Plan Update. I feel sometimes I may not articulate or express myself as well as I may like in a public forum, especially in a three minute time frame. If you would care to discuss some of these ideas with me, my lines of communication are always open – phone, fax or email.

Looking forward to any discussions with you.

Sincerely,

Blake Lehman
