Re: Authorization for THPO Janet Eidsness to represent Blue Lake Rancheria Tribe under Senate Bill 18 government-to-government consultations regarding General Plan Update

Dear Officials:

By this letter, our designated Tribal Heritage Preservation Officer (THPO) is authorized to represent Blue Lake Rancheria Tribe in government-to-government consultations with the County of Humboldt on the General Plan Update.

We support the GPU Cultural Resources section implementation recommendations for adoption of a Cultural Resources Ordinance and establishment of an advisory Cultural Resources Commission or Committee.

Sincerely,

Claudia Brundin  
Chair, Blue Lake Rancheria
