Terms of Permit

1. DEH personnel will be notified a minimum of **48 hours** prior to final inspection. Please note that some systems may require several inspections. **Should situations arise that prohibit a final inspection at the appointed time, the applicant or the applicant's agent shall notify DEH and reschedule the appointment. Failure to do so may result in additional charges to the applicant at the current hourly rate.**
2. An inspection by DEH personnel, or other qualified professional (when approved by DEH), will be obtained prior to covering the system.
3. An inspection will not be performed unless a copy of the approved OWTS design is available at the job site.
4. Any deviation from the approved plan without prior approval from DEH may result in revocation of this permit.

The issuance of a permit in no way implies a DEH guarantee of perfect and indefinite operation of this OWTS. Approval is based upon information submitted by the applicant. **Field conditions that vary significantly from the approved application information may void this permit.**

The undersigned applicant for an OWTS permit certifies as follows:

<p>Contractors' License Law Certification</p> <input type="checkbox"/> The applicant's contractor is licensed under the provisions of the Contractors' License Law, under the license number below, _____ which is in full effect. <p style="text-align: center;">OR</p> <input type="checkbox"/> The applicant is exempt from the provisions of the Contractor's License Law (owner/builder)	I hereby acknowledge that I have read this application and that the information provided is correct. I agree to comply with all County Ordinances and State Law regulating construction of onsite wastewater treatment systems. This permit shall expire if work authorized is not commenced: 1. New Construction – Prior to 1 year following the <u>Building Issuance Date.</u> _____ 2. Repair, Modification or Destruction – Prior to 1 year from the date of system design approval.
