RE: Planning Commission Review of General Plan Update

Dear Chair Bohn & Supervisors,

HAR supports sending the General Plan Update back to the Planning Commission. The Board of Supervisors has made significant changes that need to be reviewed by the Planning Commission. A Consistency Review of entire plan needs to be performed to ensure all changes are consistent throughout all Elements. It is not a matter of how long the update process takes, but for the General Plan to be the best plan it can be for the County and its citizens.

We thank you for your time.

Sincerely,

Victoria Copeland, Co-Chair  
General Plan Subcommittee

Debbie Provolt, Co-Chair  
General Plan Subcommittee
