**RE: March 28, 2014 Letter regarding General Plan Update Land Use Designation of Residential Estates to our Property ASMT 515-311-020-000**

To John Miller,

Thank you for your letter. We are looking forward to the General Plan Update Land Use Maps showing our property as Residential Estates. Could you please let us know when this change has been completed? Also, you mention in your letter the area of the Alquist-Priolo Fault Hazard Zone. Could you please send us a copy of the County's Hazard Zone Map?

Thank you again,

  
Kelly Lindgren
