**DISCUSSION:**

**Land Use Mapping Workshops and Meetings**

At the August 17<sup>th</sup> meeting the Board continued deliberations on the maps for the Northern and Southern Areas. Staff will verbally summarize the results of that meeting at the August 31<sup>st</sup> public hearing. Attachment 1 of this staff report presents the parcel-specific straw votes from the Central Area meeting, which was held on July 27, 2015. A supplemental staff report will be provided documenting the land use requests for the Central Area that have not yet been considered by the Board.

The figure below shows the different GPU mapping areas.

**Figure 1. Land Use Mapping Workshop and Meeting Areas**

The recommended procedure for completing review of the Central Area maps during the public hearing is the same general procedure used at the previous meetings, and it involves the following steps:

- 1) Public comment / Board deliberation / straw vote on the proposed changes to the land use requests for Central Area properties that were not already considered by the Board:
- 2) Public comment / Board deliberation / straw vote on the proposed changes to the Central Area maps
- 3) Public comment on Northern and Southern Area properties. (Note: this is a courtesy public comment time for those unable to attend the future continued public hearing for the Northern and Southern Area areas.)

### **GPU Review Schedule**

Attachment 2 is the updated draft schedule for completion of the remaining GPU tasks for review, comment and modification.

### **FINANCIAL IMPACT:**

The cost of preparing this staff report is borne by the General Fund through the Planning and Building Department, Advance Planning Division's FY 2015-2016 budget, and the General Plan User Fees Trust Fund 3698.

### **OTHER AGENCY INVOLVEMENT:**

The General Plan Update program has been a multi-year project. Multiple agencies have been involved in the review and preparation of the Planning Commission approved Draft General Plan. The County has been in communication with the Planning Commissioners, County Counsel and the County Administrator's office on the transmittal of these draft documents.

### **ALTERNATIVES TO STAFF RECOMMENDATIONS:**

Board's discretion.

### **ATTACHMENTS:**

Attachment 1. Straw votes taken for the Central Area Land Use Maps on 7/27/15

Attachment 2. Updated Schedule for Completion of the Remaining GPU Tasks
