

# KNEELAND Fire Protection District

6201 Greenwood Hgts. Drive, Kneeland, Ca. 95549  
[www.kneelandfire.org](http://www.kneelandfire.org)

**Organization Name:** Kneeland Fire Protection District    **Report Date:** 07/01/2016

**Contact Name:** Rick Hardin-Fire Chief

**Phone:** 707-442-3252

## **Measure Z QUARTERLY NARRATIVE**

APRIL- MAY-JUNE 2016 4<sup>th</sup> Qtr.

### **Results/Outcomes:**

Kneeland Fire Protection District provided 24/7 standby emergency responder services to out of district communities NOT within the Kneeland Fire District boundaries. Areas included parts of Maple Creek, Butler Valley, extensions of Fickle Hill, Kneeland Rd., Mountain View and Showers Pass, an excess of more than 70 square miles.

### **The Difference Measure Z funding makes in KFPD community:**

Without this critical funding well equipped emergency fire department service would not be available 365/24/7 to provide emergency response to these areas because they are NOT serviced by other fire districts. It is paramount that not only the residents of these rural communities are provided emergency fire and medical-aid response, it is also critical that that emergency responders are available for vehicle accidents and recreational accidents within our popular hiking, camping, swimming, hunting and ATV recreational areas that are frequented by residents from all over the county. As a result of this funding KFPD will be purchasing a new RESCUE QUICK ATTACK response vehicle designed for the extreme conditions of these out of district areas replacing our 35 year old responder.

*"Making a positive difference within our community in which we live and serve"*
