Board Order No. D-23

Meeting of Sept. 12, 1995

Dated: OCT 10

LORA FREDDIANI, CLERK OF THE BOARD

by ___________________________
DISCUSSION

The Department of Public Works is recommending that the Board of Supervisors adopt amendments to Article 3-Drainage Fees, Chapter 8.1, Division 2 of Title III of the Humboldt County Code. The purpose of the amendments to the existing ordinance is to clarify the areas that are to be charged and to provide a codified procedure for reimbursement to individuals who perform the construction of drainage facilities that are listed within the text of the McKinleyville Drainage Plan adopted by the Board.

The McKinleyville Drainage Plan currently includes an area known as "North Bank Road Drainage". While this area was included in the drainage plan area, no improvements were recommended in this study area. The Department of Public Works feels this area should be excluded by Code from fees.

The current ordinance does not include a procedure for the monetary reimbursement of funds to individuals who install or construct facilities that are listed within the McKinleyville Drainage Plan. Currently, the ordinance only allows a credit in the form of waiver of future drainage to be issued to the land owners or developers who install facilities. This has created problems when the cost of the improvements exceeded the possible credit. To address this issue, the Department of Public Works is recommending an amendment to Section 328.1-18 of the Humboldt County Code that will establish a procedure that will allow monetary payments to individuals when the credit exceeds the estimated drainage fees.

FINANCIAL IMPACT

The establishment of a monetary payment system will have an effect on the funds that will be available for construction of listed facilities by the County. In the opinion of this office, it should be negligible. Since the ordinance has been adopted, only three developers have been involved in the issue of credits due that are larger than the anticipated drainage fees for their parcel.

OTHER AGENCY INVOLVEMENT

None.

ALTERNATIVES TO STAFF RECOMMENDATIONS

1. The Board could choose to not amend Sections 328.1-13 and 328.1-18.

2. The Board could revise the manner in which monetary credit reimbursements would be granted as described in the proposed amendment of Section 328.1-18.
