District 4

Ryan Sundberg
District 5
Dear Board Members and Residents:

Welcome to Humboldt County’s budget for Fiscal Year (FY) 2016-17. I would like to thank the community for their participation in the live interactive community budget meeting held on March 3rd. I would also like to thank our county department heads and staff for their participation in the budget process. And I would like to thank your Board for your leadership as the county creates a path to sustainability.

As you know, the budget that was adopted by the Board of Supervisors in June is more than a host of tables and graphs, and references to revenues and expenditures. This budget is the plan that we, as a community, will take this year to address the unique needs of our community. Last year we saw the budget begin to address the community’s need for more public safety services, especially in the outlying parts of the county. This was a substantial shift in the way we operate, as the citizens of Humboldt County took it upon themselves to make our area safer by passing Measure Z, a half-cent sales tax, in 2014.

At this point two years ago, the Sheriff’s Office did not patrol in the far reaches of the county, local fire agencies had old and failing breathing apparatuses and equipment, the District Attorney lacked personnel to prosecute and the Probation Department struggled to monitor offenders because they did not have enough staff.

Due to your guidance and dedication to fulfilling the promise made to local citizens, the Sheriff’s Office can now staff and patrol in areas like Willow Creek and McKinleyville in the north, and Garberville in the south. Volunteer firefighters have received new equipment, in some cases for the first time in over a decade. In addition, that equipment meets industry standards and no longer presents an obstacle in the field when one fire company teams up with another. The District Attorney’s Office has hired more attorneys and support staff to prosecute criminals. We now have more probation officers, which allows them to have smaller caseloads and more face-to-face time with clients to work with them intensively. More than $1 million was used for local road repair, and those funds were used to leverage even more funds to get multi-jurisdictional projects off the ground. In all, more than 30 miles of roads are now being repaired, with more on the way.

These are just a few of the projects you helped make happen through the budget process. This year, the nine-member Citizens’ Advisory Committee recommended more than $6 million in additional projects to fund in Year 2 of Measure Z, and a list of proposed projects is contained later in this book. While our community still has significant public safety needs, there is no question that we are safer now than we were prior to the passage of Measure Z.

It is inspiring to see the transformation brought to our community by efforts like Measure Z. During a time where we are so dependent on state and federal revenue to fund local services, this is truly a case where we have created our own path. However, it is important to remember that Measure Z is a temporary path. Looking forward, we must determine how to meet our community’s public safety needs and our other long-term obligations if this path ends.
The adopted budget totals $353,377,402. This is an increase of $34.3 million, or 11 percent, over last year. This is due principally to $11.5 million for capital projects, $10 million for North Coast Integrated Regional Management grants, $2.9 million for Measure Z expenditures, and the remainder is attributable to federally reimbursable activities in Health & Human Services, as well as salary and benefit increases.

In the General Fund, revenues are projected at $118,017,810, which is $5,811,169 or 4.5 percent higher than last year. Revenues are slowly growing. This revenue increase is primarily due to Measure Z ($1.3 million), property taxes ($1.2 million), tax loss reserve fund transfer ($1 million), cost-allocation charges ($667,000), teeter revenue ($500,000), insurance refund ($358,000) and Public Safety’s Proposition 172 ($462,000). However, these revenue increases are not keeping pace with expenditures. This budget states that your Board will appropriate $122,932,981 in General Fund Expenditures, which is an increase of $7,645,977, or 6.5 percent from last year. This means fund balance in the amount of $4.9 million will be used for financing FY 2016-17 activities. This will allow the county to make expenditures that were not made last year, as well as one-time expenses and to cover the structural deficit. This will result in an estimated ending balance of $1.8 million in the General Fund.

This budget includes a contribution of $750,000 to General Reserve. It is a sound financial practice to contribute to our reserves, however, the balances of these funds are well below policy levels. Per Board-adopted policy, the General Reserve should total approximately $9.38 million (between 8 and 10 percent of total General Fund revenue), and Contingencies should total 6 percent of General Fund revenue.

One thing Measure Z did not address was the long-term structural imbalance of the General Fund. By increasing funding for public safety departments, this has had a trickle-down effect, increasing the workload for already-understaffed departments that provide internal support service. In addition, we have looming expenses and unfunded mandates like ADA facility improvements, SB 678 jail expansion/community correction center and unfunded PERS liability, to name a few.

These challenges, while daunting, are not insurmountable. Over the years, your Board has been successful in shrinking the structural deficit and taking steps to improve efficiency and service delivery in several areas. As we look forward, we can take solace knowing that Humboldt County citizens are incredibly proudful, and willing partners when it comes making our community better. This is a powerful partnership, and because of that I am confident that we will find our way to long-term fiscal sustainability, creating our own path if necessary.

In closing, I would like to thank the staff of the Management and Budget Team: Cheryl Dillingham, Karen Clower, Elishia Hayes, Mark Magladry and Sean Quincey for their hard work and perseverance in putting this budget together. In addition, I would also like to thank the Auditor’s Office for their continued cooperation with our budget efforts.

Amy S. Nilson
County Administrative Officer
BUDGET PREPARATION

- Departments receive input from the community and the Board about priorities for the new fiscal year.
- The CAO verifies department requests, compiles them into a cohesive county budget and presents a recommendation to the Board.

BUDGET REVIEW

- The Board is obligated to use a majority of the funds (64 percent) on specific programs.
- General Fund monies are under the discretion of the Board and are allocated based on the Strategic Framework, and any other specific guidelines set by the Board.
- Upon presentation to the Board, the public has an opportunity to provide feedback.

BUDGET APPROVAL

- Budget approved at June 28, 2016 Board of Supervisors meeting.
The Strategic Framework acts as staff’s guide from the Board of Supervisors for all county work.

PRIORITIES FOR NEW INITIATIVES

Provide our core services in ways that:

**Match service availability with residents’ needs**
- Provide community-appropriate levels of service
- Support self-reliance of citizens
- Streamline county processes to facilitate new living-wage private sector jobs

**Safeguard the public trust**
- Manage our resources to ensure sustainability of services
- Invest in county employees
- Invite civic engagement and awareness of available services

Make proactive decisions to:

**Partner to promote quality services**
- Foster transparent, accessible, welcoming and user-friendly services
- Facilitate the establishment of local revenue sources to address local needs
- Seek outside funding sources to benefit Humboldt County needs
- Facilitate public/private partnerships to solve problems
- Build inter-jurisdictional and regional cooperation

**Be an effective voice for our community in areas outside traditional mandates**
- Advance local interests in natural resource discussions
- Engage in discussions of our regional economic future
- Engage new partners

In both core services and proactive decisions, seek to:
Engage and influence issues of statewide concern

CORE ROLES

Enforce laws and regulations to protect residents

Provide for and maintain infrastructure

Create opportunities for improved safety and health

Encourage new local enterprise and ensure proper operation of markets

Support business and workforce development and creation of private-sector jobs

Protect vulnerable populations
SPECIFIC GUIDELINES
FY 2016-17 BUDGET

1 General Fund allocations to be set distributing 90 percent of the revenue growth to departments based on FY 2015-16 General Fund allocations.

2 Requests for additional funding will be considered if they are mandated, one-time and/or prevent the discontinuation of services.

3 Approve a one-year waiver of the Board policy on Balanced Budget to allow the General Fund’s fund balance (savings) to be used for on-going expenses.

Total County Budget

REVENUES: WHERE THE MONEY COMES FROM

- **General Fund**
  - $118 million
  - $4.9 million from prior years

- **Other Funding Sources**
  - 6% of General Fund Revenues
  - $1.68 million

- **Other Revenues**
  - 3.37%

**Reserves: Balance vs. Policy Requirements (in millions)**

- **General Reserves**
  - Policy Requirement: 8-10% of General Fund Revenues
  - Actual Balance: $2.32 million

- **Contingency Reserves**
  - Policy Requirement: 6% of General Fund Revenues
  - Actual Balance: $1.68 million
**Revenue**
$343.84 million

**Expenses**
$353.38 million

**Use of Savings**
$9.54 million

**EXPENSES: WHERE IT GOES**

- **Health & Human Services**: 49.87%
- **Public Works**: 20.5%
- **Law & Justice**: 18.97%
- **Admin Services**: 4.59%
- **Transfers & Contingencies**: 3%
- **Planning & Building**: 1.73%
- **Education & Agriculture**: 1.35%

**PERSONNEL ALLOCATIONS & FROZEN POSITIONS**

- **FY 2015-16**
  - Total: 2,264.83 FTE
  - Funded: 2,169.75 FTE
  - Frozen: 4.2% 96.08 FTE

- **FY 2016-17**
  - Total: 2,291.88 FTE
  - Funded: 2,196.20 FTE
  - Frozen: 4.2% 95.68 FTE

**KEEPING AN EYE ON THE BIG PICTURE**

Revenues are growing in Humboldt County, but expenses continue to outpace our income. We are taking steps to address our structural deficit and fulfill the needs of our community, but it will require continued financial discipline to fund all of the services we need, such as:

**Measure Z**
Agencies submitted 43 new applications ($12.7 million in new requests), and 25 were funded, totaling $6.5 million.

**Unfunded Pension Liability**
Our unfunded liability for CalPERS is over $209 million, down $11 million from last year.

**Roads**
There is more than $200 million in repairs needed to bring our roads up to adequate levels. Gas taxes are rapidly declining, however.

**Reserves**
General Fund and Contingency Reserves are far below their policy requirements (opposite page).

**Deferred Maintenance**
There is more than $250 million of need in deferred maintenance on county facilities.

**Individual Departments**
Of the $4.2 million in additional requests submitted by departments only $430,065 is recommended for funding.
MAJOR TYPES OF GENERAL FUND REVENUE

**Property Tax**
Property tax is imposed on real property and tangible personal property. Since the passage of California’s Proposition 13, the tax is based on 1 percent of the property’s assessed value as inflated by the lesser of 2 percent or the state’s inflation rate. The assessed value is either the 1975-76 assessed value, the current sales price or new construction value.

**Sales Tax : Three sources**
The statewide sales tax rate is currently 7.5 percent. The state keeps 6.5 percent, and 2.0625 percent of that amount returns to the county for specific purposes:

- 0.5 percent for Prop 172 local public safety
- 0.5 percent for 1991 realignment
- 1.0625 percent for 2011 realignment

Local Governments receive 1 percent of the 7.5 percent as follows:

- 0.75 percent for general operations (for the county, this is sales in the unincorporated area), and
- 0.25 percent goes to the county’s transportation fund.

Humboldt County, as a result of the passing of Measure Z, created a local sales tax rate of 0.5 percent (a half-cent) countywide with revenues going to the county.

*Redevelopment agencies have been dissolved, however this funding continues to pay down redevelopment debt*
The Board of Supervisors has discretion over only roughly one-third of the county budget. That’s because much of the revenue we receive is mandated by law to be spent on certain activities. The General Fund is different because much of the revenue is not tied to any specific activity, meaning that it can be spent on local needs, which change from year to year.

**ADDITIONAL FUNDING REQUESTS:**

For FY 2016-17, departments submitted $2.3 million in requests that require on-going funding, and $1.8 million in requests for one-time funds.

**Approved additional requests**

**ONE-TIME COSTS**

**Planning & Building**

To cover staff time spent on medical cannabis permitting

$100,000

**Agricultural Commissioner**

Vehicle to inspect cannabis cultivation sites

$29,700

**Board of Supervisors**

Extra help to continue digitization of old paper records

$21,000

**Public Works**

Purchase, install of self-serve fuel pump at airport

$15,500

**Public Works**

Staff to provide janitorial services at ACV on weekends

$20,000

**Americans with Disabilities Act**

Funding for ADA improvements

$200,000

**STATE-MANDATED AND ON-GOING COSTS**

**Inmate Medical**

Mandated medical care for inmates

$104,031

**Public Defender**

Two staff to maintain service levels for increased caseloads

$248,565

**County Administrative Office**

Contract increases for county’s legislative advocates

$1,800
After one year of Measure Z, what has been done to make our community safer?

The Board of Supervisors this year authorized an additional $6.85 million to new public safety projects via Measure Z, the half-cent sales tax approved by voters in 2014. These new projects, 24 in total, are in addition to the more than $5.25 million already dedicated to next year’s budget for public safety services like the Sheriff’s Office, District Attorney and Probation Department. Over two years, Measure Z has funded 48 new public safety projects, using roughly $21 million.

The funded projects for 2016-17 include $1.8 million to the Humboldt County Fire Chief’s Association for equipment such as fire engines, metal building kits, personal protective equipment and hoses. In addition, more than $250,000 will be used for critical emergency response along the Highway 299 corridor, which is an area that is currently not under the jurisdiction of any one agency and does not have dedicated emergency response. Local roads will receive $1.5 million, and the Sheriff’s Office will receive nearly $1 million for more staff. Several local police departments are also receiving funding.

In total, agencies submitted 43 new applications this year requesting more than $12.7 million in new funding. The applications were reviewed by the Citizens’ Advisory Committee on Measure Z Expenditures over six meetings, including one public hearing, earlier this year and submitted its recommendations in March.

Measure Z at 1

STAYING INVOLVED IS AS EASY AS ... 

1 Visit the Measure Z web page at Humboldtgov.org/MeasureZ

2 Attend the Interactive Community Budget Meeting in late February or early March, 2017.

3 Stream Board meetings live through the county’s web site, or watch on Ch. 10 and 11, or Wave Cable Ch. 7 in Southern Humboldt

Measure Z Funding by Category in FY 15-16

- Law Enforcement: $4.14M
- Fire Services: $2.3M
- Roads/Public Works: $1.66M
- Mental Health: $646K

Looking Long-Term
What issues are ahead of us, and how can we resolve them?

FIVE YEAR FORECAST

The most effective budgets are not shelf documents merely for county staff and the Board of Supervisors to prepare, review and adopt. They must be comprehensive, living documents that reflect the community’s priorities and vision. Over the past year, we have engaged the public on their desired service levels, which any adopted budget should reflect.

It’s clear that people live in Humboldt County because it offers a better quality of life than other places in the state. But our quality of life is becoming harder to protect. In the last five years alone, the state has taken more than $70 million from the county’s budget.

While the county has prided itself on its fiscal prudence, as the Five-Year Financial Projection indicates below -- we are experiencing a structural budget deficit that is expected to continue for the foreseeable future.

THE ECONOMY

The local economy looks better than it did a year ago. Retail sales, home sales and employment indices climbed recently, as did building permits, though the hospitality index declined. Mortgage rates continue to be affordable with 30-year fixed rates averaging 3.75 percent.

A Beacon Economics April report says the state economy is still moving along. It says that labor markets are strong, housing is still in recovery, credit is expanding and California is leading, not lagging the nation. Possible issues were slow growth, stressed gov’t budgets, economic concerns in Asia, growing wealth inequality and a housing shortage, but the economy appears to be in balance and businesses are doing well.

STATE, FEDERAL BUDGETS

April state revenues fell short of estimates in the governor’s proposed FY 2016-17 budget by $1.19 billion, mostly the result of lower-than-expected receipts from the personal income tax in one of the most important months for collections.

On the federal level, Congress approved $452 million to fully fund the Payment In Lieu of Taxes (PILT) program in Federal Fiscal Year 2016-17. The federal budget acknowledges that a long-term, sustainable funding solution for PILT needs to be developed.

COMMUNITY IMPACT

Identifying additional revenue sources would help ensure we can provide needed services that address local concerns.

Our community deserves and expects these services and others. But it cannot come at the expense of a healthy, responsible financial situation.

Services that could be maintained or improved with additional revenue

- Enforcing laws that require cannabis growers to protect natural areas
- Fighting hard drugs and narcotics
- Mental health services for children and families
- Environmental damage from illegal cannabis grows
- Drug rehabilitation and treatment services
- Job creation
- Maintaining local parks
* DEPARTMENT HEAD APPOINTED BY STATE
** DEPARTMENT HEAD APPOINTED BY COURTS
Baseball, healthy snacks, and healthy eating were a home run in Humboldt County’s Junior Giants program during the summer of 2015. The youth baseball program includes a health and nutrition education component so the UC Cooperative Extension nutrition program, Expanded Food and Nutrition Education Program (EFNEP) and the Boys & Girls Club of the Redwoods (BGC) created a winning combination.

The Junior Giants program was brought to Humboldt County in 2014 through the BGC and Program Development Director Chris Barela immediately developed partnerships to support healthy snack options, nutrition education, and advertising material appealing to our youth. By 2015 the EFNEP staff were adapting their research-based nutrition curricula to compliment the baseball lessons.

The volunteer coaches delivered character lessons like Teamwork alongside a nutrition lesson like Build My Plate with Fruits and Vegetables. In all, over 250 youth (ages 5 to 13) and 20 coaches from Fortuna, Eureka, and McKinleyville participated in the Junior Giants program.

“Parents report their kids are eating more fruits and veggies, consuming more water and less soda, and getting more regular exercise,” Barela said. So, when you see a Junior Giant in your neighborhood ask them about their fruit/veggie homerun!

Arcata Bay Crossing celebrated its grand opening in September 2015. Construction of the $5.7 million, 32-unit affordable housing complex was made possible by Housing Humboldt, Rural Communities Housing Development Corporation, the Arcata House Partnership and the Humboldt County Department of Health & Human Services (DHHS), with funding from the Low Income-Housing Tax Credit program, PNC Real Estate, the City of Arcata, the North Coast Grantmaking Partnership and almost $2 million in one-time funding from DHHS’s Mental Health Services Act Housing Program funds. Included in that cost is more than $650,000 for capitalized operating expenses over the life of the loan. Fifteen units are set aside for Mental Health clients who are either homeless or at risk of homelessness, with four additional units designated for chronically homeless people meeting Housing and Urban Development guidelines for permanent supportive housing.

In the past year, the county has finished migrating the majority of mission-critical systems from single, standalone servers to our in-house virtual environment. By doing so, we have added significant capacity, additional hosts, and storage area networks to the infrastructure, along with redistributing and load-balancing our uninterruptable power supplies.

This environment has enabled us to move and upgrade over 50 applications for several departments. Major applications, like the county’s financial software system, or primary applications for many departments, are now capable of running in an environment that enables the application to continue to operate properly, even in the event of the failure of some of its components.

We have also been replacing at-risk legacy phone systems with state-of-the-art Unified Communications phone systems, which enable us to more efficiently provide and maintain our infrastructure.
AUGUST 28, 2014

Jerrica Taylor placed in Humboldt Recovery Center (HRC), attending Thinking for a Change, Moral Reconation Therapy and anger management interventions as well as one-on-one counseling. She was convicted of drunk driving causing injury; she was the cause of a head-on collision on Highway 96.

The victim suffered shattered arms and legs as well as a fractured pelvis, has undergone 4 surgeries, and has now begun to walk again. The victim lost her business in Fortuna and her daughter had to quit her job to care for her.

Taylor was facing six years in prison for her crime, but the victims informed the court that they desired to see her engage in recovery. She entered HRC for four months of residential treatment and never looked back.

When she entered aftercare, she found independent housing with another person affiliated with HRC. When her housemate relapsed, she had the resolve to give him notice and did not waver in her determination to retain the house and find new roommates with recovery.

Taylor is currently living with another female HRC and Drug Court graduate who has three years sobriety, and has served as a peer mentor for women at Humboldt Recovery, providing mutual support to one another in their recovery.

Taylor has maintained full-time employment at Applebee’s, moving up from hostess to car-side assistant and now to full server. She is paying on her fines, fees and restitution every month. Jerrica organized a fund raiser through Applebee’s for her victim and raised over $2,000. She also took her victim firewood.

Although restricted from driving for four years, she completed her HART requirements and reported to feel she was an inspiration to others who had not yet embraced their recovery fully.

Jerrica completed her 12th Step requirement and continues to attend support meetings in the community. She also keeps in touch with HRC as time allows. She was one of seven graduates of Humboldt County’s intensive Drug Court program that was celebrated on January 15, 2016.

Jerrica Taylor, center, was facing six years in prison for her crime that involved drunk driving and a head-on car collision. Instead of prison time, her victims wanted to see her engage in recovery, and she graduated from Drug Court in January.

TREASURER-TAX COLLECTOR

Leveraging Technology to Reduce Costs

The Treasurer-Tax Collector’s Office (T-TC) has recently transitioned to using an electronic-based system for processing tax payments, and the approach has the potential to save the county several thousand dollars per year. The system, which processes thousands of physical checks, has been used to process other payments as well. A time-saving benefit it offers is that it automatically populates the county’s tax operating system with payments received by tax payers, and simultaneously sends payment to the bank for deposit into the county account.

Prior to using the RT Lawrence (RTL) remittance processor, the county was handling physical checks for most of its transactions. This was not only time-consuming, but expensive as well.

Physical check deposits at the bank cost the county 8 cents per check. Remotely deposited checks via desktop scanners (in use at the county since 2008) cost 5 cents per check and electronically deposited checks via the imaging system used by RTL costs 2.5 cents per image deposit. So the county will save 5.5 cents on physical deposits and 2.5 cents per scanned check by using the RTL imaging system. In addition, armored car services cost the county $5 per bag deposit, and on average the county deposited one bag per day. Staff estimates the total savings could be as much as $4,125 per year.

In November, the Board granted a $3,800 supplemental request to the TTC for the technology. The TTC is developing new procedures regarding how to handle payments other than property taxes.

The TTC is confident that once the new procedures are fully engrained into our operations, that most of the potential savings will be realized.
In early 2015, a homeless man had been staying at the Eureka Rescue Mission for almost a year. He had far exceeded the number of days he was allowed to stay, but staff was reluctant to ask him to leave because they worried he would be unable to take care of himself on the streets. So they requested assistance from the Mobile Intervention & Services Team, or MIST—an innovative partnership between the Eureka Police Department and the Humboldt County Department of Health & Humans Services which brings both mental health and law enforcement skill-sets to homeless individuals suffering from mental illness.

Initially, the man from the mission declined assistance, but over time he accepted medical services and assistance with his mental health issues. MIST staff worked to find an appropriate housing solution, which he moved into in September. He is still housed and receiving case management services.

Data collected in 2015 showed a 36 percent decrease in MIST clients who were hospitalized at Sempervirens and an almost 20 percent drop in admissions to Mental Health’s Crisis Stabilization Unit. During the same period, 50 MIST clients were housed.

DHHS’s clinical and case management services are paid for with a combination of billable revenue and Mental Health Services Act money. EPD’s participation in MIST is funded by Measure Z.
