Measure Z Committee,

February 10, 2017

Garberville Sanitary District provides water and sewer service to the residents within the boundaries of the District and we are responsible for the installation and maintenance of all fire hydrants. Over the years many fire hydrants have been neglected and either do not work or do not work properly.

The Governing Board has authorized me to insure all fire hydrants are operable and able to protect the Garberville community in the event of a fire. Budget limitations have been a factor in not making these improvements and providing reliable fire suppression which is why we adopted a long term plan of budgeting money each year for hydrant repairs or replacement.

My concern is that at a rate of adding one or two hydrants per year, the residents of Garberville will not be fully protected with fire suppression capability through fire hydrants for 10 years.

Garberville Sanitary District thanks you in advance for considering us eligible for Measure Z funding to insure our community's protection from fire.

Respectfully,

Ralph Emerson

5. If this request is for the continuation, or expansion, of an existing program/service, what is the current source of funding for that program/service?

This request is not for continuation of existing program.

6. If you are awarded Measure Z funds, how will you use them to leverage additional grants, contributions, or community support?

We will notify the public that measure Z money was received and being used to install new fire hydrants for the safety of Garberville residents.

7. Will this proposal require new or expanded activity on the part of another entity to be fully functional and effective? If so, please describe.

No other entity will be involved.
