Voter Turnout Analysis Summary

School Districts

Must move to even-year General Election

Elections Code: Sections 14050-14057

New provision: Provides that commencing January 1, 2018, a political subdivision [school and/or special district] is prohibited from holding an election other than on a statewide election date if holding an election on a non-concurrent date has previously resulted in voter turnout for a regularly-scheduled election in that political subdivision being at least 25 percent less than the average voter turnout within the political subdivision for the previous 4 statewide general elections, except as specified.
