EBT card system will have 24-hour outage in late June

County residents who use electronic benefit transfer (EBT) cards are advised that due to a statewide system upgrade, cards will not be usable from Saturday, June 23 at 11 p.m. through Sunday, June 24 at 11 p.m.

During this 24-hour period, EBT card users will be unable to use their cards for food or cash. The state is recommending that EBT card holders plan ahead. For more information and to check food and cash balances, visit www.ebt.ca.gov.
