

HUMBOLDT COUNTY ACDBE PROGRAM 2014

For the County of Humboldt, hereinafter referred to as “Recipient.” The use of personal pronouns “we” and “our”, refer to the County of Humboldt, its officials or employees.

Section 23.1, 23.23 Objectives/Policy Statement

The **Recipient** has established an Airport Concession Disadvantaged Business Enterprise (ACDBE) program in accordance with regulations of the U.S. Department of Transportation (DOT), 49 CFR Part 23. The **Recipient** is a primary airport and has received federal funds authorized for airport development after January 1988 (authorized under Title 49 of the United States Code). The **Recipient** has signed airport grant assurances that it will comply with 49 CFR Part 23.

It is the policy of the **Recipient** to ensure that ACDBEs as defined in Part 23, have an equal opportunity to receive and participate in concession opportunities. It is also our policy:

1. To ensure nondiscrimination in the award and administration of opportunities for concessions by airports receiving DOT financial assistance;
2. To create a level playing field on which ACDBEs can compete fairly for opportunities for concessions;
3. To ensure that our ACDBE program is narrowly tailored in accordance with applicable law;
4. To ensure that only firms that fully meet this part’s eligibility standards are permitted to participate as ACDBEs at our airport(s);
5. To help remove barriers to the participation of ACDBEs in opportunities for concessions at our airport(s); and
6. To provide appropriate flexibility to our airports in establishing and providing opportunities for ACDBEs.

is responsible for implementing all aspects of the ACDBE program. Implementation **The Director of Public Works** has been designated as the ACDBE Liaison Officer (ACDBELO). In that capacity, **the Director of Public Works** of the ACDBE program is accorded the same priority as compliance with all other legal obligations incurred by the **Recipient** in its financial assistance agreements with the Department of Transportation.

Recipient has disseminated this policy statement to the **Humboldt County Board of Supervisors** and all of the components of our organization. We have distributed this statement to ACDBE and non-ACDBE concessionaire communities in our area **as posted on the County web-sight and at the airport’s business offices at the Arcata-Eureka Airport.**

In administering its ACDBE program, the **Recipient** will not, directly or through contractual or other arrangements, use criteria or methods of administration that have the effect of defeating or substantially impairing accomplishment of the objectives of the ACDBE program with respect to individuals of a particular race, color, sex, or national origin.

The **Recipient** acknowledges these representations are also in accordance with obligations contained in its Civil Rights, DBE and ACDBE Airport grant assurances.

The **Recipient** will include the following assurances in all concession agreements and management contracts it executes with any firm:

(1) "This agreement is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR Part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR Part 23.

Part 1200 adopts the OMB guidance in subparts A through I of 2 CFR part 180, as supplemented by part 1200, as the Department of Transportation policies and procedures for non-procurement suspension and debarment.

The **Recipient's** compliance with all requirements of this part is enforced through the procedures of Title 49 of the United States Code, including 49 U.S.C. 47106(d), 47111(d), and 47122, and regulations implementing them.

The following enforcement actions apply to firms participating in the **Recipient's** ACDBE program:

- (a) For a firm that does not meet the eligibility criteria of subpart D of this part and that attempts to participate as an ACDBE on the basis of false, fraudulent, or deceitful statements or representations or under circumstances indicating a serious lack of business integrity or honesty, the Department of Transportation (DOT) or the Federal Aviation Administration (FAA) may initiate suspension or debarment proceedings against the firm under 2 CFR parts 180 and 1200.
- (b) For a firm that, in order to meet ACDBE goals or other AC/DBE program requirements, uses or attempts to use, on the basis of false, fraudulent or deceitful statements or representations or under circumstances indicating a serious lack of business integrity or honesty, another firm that does not meet the eligibility criteria of subpart D of this part, DOT or FAA may initiate suspension or debarment proceedings against the firm under 2 CFR parts 180 and 1200.

DRAFT 2014

Compliance reviews: The FAA may review the **Recipient's** compliance with this part at any time, including but not limited to, reviews of paperwork, on-site reviews, and review of the airport sponsor's monitoring and enforcement mechanism, as appropriate. The FAA Office of Civil Rights may initiate a compliance review based on complaints received.

Any person who knows of a violation of this part by the **Recipient** may file a complaint under 14 CFR Part 16 with the Federal Aviation Administration Office of Chief Counsel.

SUBPART B – ACDBE PROGRAMS

Section 23.21 ACDBE Program Updates

The **Recipient** is a *non-hub primary* airport required to have an ACDBE program.

As a condition of eligibility for FAA financial assistance, the **Recipient** will submit its ACDBE program and overall goals to FAA according to 23.45(a) of this section.

Until the **Recipient's** new ACDBE program is submitted and approved, we will continue to implement our ACDBE program that was in effect previously, except with respect to any provision that is contrary to 49 CFR Part 23.

This ACDBE program will be implemented at the **Arcata-Eureka Airport**.

When the **Recipient** makes significant changes to its ACDBE program, we will provide the amended program to the FAA for approval prior to implementing the changes.

Section 23.23 Administrative Provisions

Policy Statement: The **Recipient** is committed to operating its ACDBE program in a nondiscriminatory manner.

The **Recipient's** Policy Statement is elaborated on the first page of this program.

ACDBE Liaison Officer (ACDBELO): We have designated the following individual as our ACDBELO:

*Director of Public Works
1106 Second Street,
Eureka, CA 95501-0579
(707) 839-5401
Fax (707) 839-3596
TMattson@co.humboldt.ca.us*

In that capacity, the ACDBELO is responsible for implementing all aspects of the ACDBE program and ensuring that the **Recipient** complies with all provision of 49 CFR Part 23. The ACDBELO has direct, independent access to the **Humboldt County Chief Administrative Officer** concerning ACDBE program matters. An organizational chart displaying the ACDBELO's position in the organization is found in Attachment **1** to this program.

The ACDBELO is responsible for developing, implementing and monitoring the ACDBE program, in coordination with other appropriate officials. The ACDBELO **has direct supervisory control over airport staff and access to Humboldt County Department of Public Works staff, County Administrative Staff, including County Counsel, as well as access to consulting legal or engineering firms to assist in the administration of the program.** The duties and responsibilities include the following:

1. Gathers and reports statistical data and other information as required by FAA or DOT.
2. Reviews third party contracts and purchase requisitions for compliance with this program.
3. Works with all departments to set overall annual goals.
4. Ensures that bid notices and requests for proposals are available to ACDBEs in a timely manner.
5. Identifies contracts and procurements so that ACDBE goals are included in solicitations (both race-neutral methods and contract specific goals)
6. Analyzes **Recipient's** progress toward attainment and identifies ways to improve progress.
7. Participates in pre-bid meetings.
8. Advises the CEO/governing body on ACDBE matters and achievement.
9. Plans and participates in ACDBE training seminars.

DRAFT 2014

10. Provides outreach to ACDBEs and community organizations to advise them of opportunities.
11. Maintains the **Recipient's** updated directory on certified ACDBEs and distinguishes them from DBEs.

Directory: The **Recipient** through the **California** Unified Certification Program (UCP), maintains a directory identifying all firms eligible to participate as DBEs and ACDBEs. The Directory lists the firm's name, address, phone number, date of the most recent certification, and the type of work the firm has been certified to perform as an ACDBE.

The UCP will ensure that the Directory lists each type of work for which a firm is eligible to be certified by using the most specific NAICS code available to describe each type of work. The UCP will make any changes to the current directory entries necessary to meet the requirements of this paragraph.

The UCP revises the Directory **daily**. The Directory may be found at:

http://www.dot.ca.gov/hq/bep/find_certified.htm

Section 23.25 Ensuring Nondiscriminatory Participation of ACDBEs

The **Recipient** will take the following measures to ensure nondiscriminatory participation of ACDBEs in concessions, and other covered activities (23.25(a)).

The Recipient will monitor all concession contracts, including the advertisement or solicitation of bids, for compliance with 49 CFR Part 23.

The **Recipient** will seek ACDBE participation in all types of concession activities, rather than concentrating participation in one category or a few categories to the exclusion of others. (23.25(c))

The **Recipient's** overall goal methodology and a description of the race-neutral measures it will use to meet the goals are described in Section 23.25 and **as attached to this** plan. The goals are set consistent with the requirements of Subpart D. (23.25(b), (d))

If the **Recipient** projects that race-neutral measures alone, are not sufficient to meet an overall goal, it will use race-conscious measures as described in Section 23.25 (e) (1-2) and **as attached to this** plan. (23.25(e))

The **Recipient** will require businesses subject to ACDBE goals at the airport (except car rental companies) to make good faith efforts to explore all available options to meet goals, to the maximum extent practicable, through direct ownership arrangements with ACDBEs. (23.25(f))

The **Recipient** will not use set-asides or quotas as a means of obtaining ACDBE participation. (23.25(g)).

Section 23.27 Reporting

We will retain sufficient basic information about our ACDBE program implementation, ACDBE certification and the award and performance of agreements and contracts to enable the FAA to determine our compliance with Part 23. This data will be retained for a minimum of 3 years following the end of the concession agreement or other covered contract.

Beginning **March 1, 2014**, we will submit to the FAA Regional Civil Rights Office, an annual ACDBE participation report on the form in Appendix A of Part 23. We will submit the report to the FAA Regional Civil Right Office via hard copy of the form or electronically via the DBE Office Online Reporting System (DOORS).

Section 23.29 Compliance and Enforcement Procedures

The **Recipient** will take the following monitoring and enforcement mechanisms to ensure compliance with 49 CFR Part 23.

1. We will bring to the attention of the Department of Transportation any false, fraudulent, or dishonest conduct in connection with the program, so that DOT can take the steps (e.g., referral to the Department of Justice for criminal prosecution, referral to the DOT Inspector General, action under suspension and debarment or Program Fraud and Civil Penalties rules) provided in 26.107.
2. We will consider similar action under our own legal authorities, including responsibility determinations in future contracts. We have listed the regulations, provisions, and contract remedies available to us in the events of non-compliance with the ACDBE regulation by a participant in our procurement activities. (26.37)

The **Recipient** has several remedies available to enforce the ACDBE requirements contained in its contracts, including, but not limited to, breach of contract action, pursuant to the terms of the contract.

In addition, the federal government has available several enforcement mechanisms that it may apply to firms participating in the ACDBE problem, including, but not limited to, the following:

1. Suspension or debarment proceedings pursuant to 49 CFR part 23 and 2 CFR parts 180 and 1200
2. Enforcement action pursuant to 49 CFR part 31; and
3. Prosecution pursuant to 18 USC 1001.

SUBPART C – CERTIFICATION AND ELIGIBILITY

Section 23.31 We will use the procedures and standards of Part 26, except as provided in 23.31, for certification of ACDBEs to participate in our concessions program and such standards are incorporated herein.

The **Recipient** is the member of a Unified Certification Program (UCP) administered by **State of California**. The UCP will meet all of the requirements of this section.

The UCP's directory of eligible DBEs specifies whether a firm is certified as a DBE for purposes of Part 26, and ACDBE for purposes of part 23, or both.

Prior to entering into a new contract, extension, or option with a currently certified ACDBE, we will review their eligibility at that time (i.e., "as soon as possible") rather than waiting until the latest date allowed under Part 23. Our schedule for this review process will be: **Within five (5) business days of submission of contract extension or bid submittal and no later than fourteen (14) days prior to submittal of the contract to the Humboldt County Board of Supervisors.**

We will treat a firm as a small business eligible to be certified as an ACDBE if its gross receipts, averaged over the firm's previous three fiscal years do not exceed \$56.42 million for non-car rental ACDBEs and \$75.23 million for car rental ACDBEs. The size standard for banks and other financial institutions is \$1 billion in assets, for pay telephone companies is 1500 employees and for ACDBE automobile dealers is 350 employees.

Section 23.35 The personal net worth standard used in determining eligibility for purposes of Part 23 is \$1.32 million.

We recognize that Personal net worth means the net value of the assets of an individual remaining after total liabilities are deducted. An individual's personal net worth (PNW) does not include the following:

- (1) The individual's ownership interest in an ACDBE firm or a firm that is applying for ACDBE certification;
- (2) The individual's equity in his or her primary place of residence; and
- (3) Other assets that the individual can document are necessary to obtain financing or a franchise agreement for the initiation or expansion of his or her ACDBE firm (or have in fact been encumbered to support existing financing for the individual's ACDBE business) to a maximum of \$3 million.

The effectiveness of this paragraph (3) of this definition is suspended with respect to any application for ACDBE certification made or any financing or franchise agreement obtained after June 20, 2012. (23.3)

DRAFT 2014

An individual's personal net worth includes only his or her own share of assets held jointly or as community property with the individual's spouse.

Any person who has a personal net worth exceeding this amount is not a socially and economically disadvantaged individual, even if a member of a group otherwise presumed to be disadvantaged. (See 23.3 - *Personal Net Worth* definition and 23.35)

We will presume that a firm that is certified as a DBE under part 26 is eligible to participate as an ACDBE. However, before certifying such a firm, we will ensure that the disadvantaged owners of a DBE certified under part 26 are able to control the firm with respect to its activity in our concessions program. We are not obligated to certify a part 26 DBE as an ACDBE if the firm does not perform work relevant to our concessions program. (23.37).

We recognize that the provisions of part 26, sections 26.83(c) (2-6) do not apply to certifications for purposes of part 23. We will obtain resumes or work histories of the principal owners of the firm and personally interview these individuals. We will analyze the ownership of stock of the firm, if it is a corporation. We will analyze the bonding and financial capacity of the firm. We will determine the work history of the firm, including any concession contracts or other contracts it may have received. We will compile a list of the licenses of the firm and its key personnel to perform the concession contracts or other contracts it wishes to receive. We will obtain a statement from the firm of the types of concessions it prefers to operate or the type of other contracts it prefers to perform. We will ensure that the ACDBE firm meets the applicable size standard. (23.39(a)(b)).

We acknowledge that a prime contractor includes a firm holding a prime contract with an airport concessionaire to provide goods or services to the concessionaire or a firm holding a prime concession agreement with a recipient. We recognize that the eligibility of Alaska Native Corporations (ANC) owned firms for purposes of part 23 is governed by part 26 section 26.73(h). (23.39(c)(d)).

We will use the certification standards of part 23 to determine the ACDBE eligibility of firms that provide goods and services to concessionaires. (23.39(i))

In instances when the eligibility of a concessionaire is removed after the concessionaire has entered into a concession agreement because the firm exceeded the size standard or the owner has exceeded the PNW standard, and the firm in all other respects remains an eligible DBE, we may continue to count the concessionaire's participation toward ACDBE goals during the remainder of the current concession agreement. We will not count the concessionaire's participation toward ACDBE goals beyond the termination date for the concession agreement in effect at the time of the decertification. (23.39(e))

We will use the Uniform Application Form found in appendix F to part 26 with additional instruction as stated in 23.39(g).

SUBPART D – GOALS, GOOD FAITH EFFORTS, AND COUNTING

Section 23.41 Basic Overall Goal Requirement

The **Recipient** will establish two separate overall ACDBE goals; one for car rentals and another for concessions other than car rentals. The overall goals will cover a three year period and the sponsor will review the goals annually to make sure the goal continues to fit the sponsor's circumstances. We will report any significant overall goal adjustments to the FAA.

If the average annual concession revenues for car rentals over the preceding 3 years do not exceed \$200,000, we need not submit an overall goal for car rentals. Likewise, if the average annual concession revenues for concessions other than car rentals over the preceding 3 years do not exceed \$200,000, we need not submit an overall goal for concessions other than car rentals. We understand that "revenue" means total revenue generated by concessions, not the fees received by the airport from concessionaires.

The Recipient's overall goals will provide for participation by all certified ACDBEs and will not be subdivided into group-specific goals.

Section 23.43 Consultation in Goal Setting

The **Recipient** consults with stakeholders before submitting the overall goals to the FAA. Stakeholders will include, but not be limited to, minority and women's business groups, community organizations, trade associations representing concessionaires currently located at the airport, as well as existing concessionaires themselves, and other officials or organizations which could be expected to have information concerning the availability of disadvantaged businesses, the effects of discrimination on opportunities for ACDBEs, and the sponsors efforts to increase participation of ACDBEs.

When submitting our overall goals, we will identify the stakeholders that we consulted with and provide a summary of the information obtained from the stakeholders.

Section 23.45 Overall Goals

The sponsor is a *nonhub primary* airport. As a condition of eligibility for FAA financial assistance, the sponsor will submit its overall goals according to the schedule shown in Attachment 3.

If a new concession opportunity arises at a time that falls between the normal submission dates above and the estimated average of annual gross revenues are anticipated to be \$200,000 or greater, the sponsor will submit an appropriate adjustment to our overall goal to FAA for approval no later than 90 days before issuing the solicitation for the new concession opportunity. (23.45i)

The sponsor will establish overall goals in accordance with the 2-Step process as specified in section 23.51. After determining the total gross receipts for the concession activity, the first step is to determine the relative availability of ACDBEs in the market area, “base figure”. The second step is to examine all relevant evidence reasonably available in the sponsor’s jurisdiction to determine if an adjustment to the Step 1 “base figure” is necessary so that the goal reflects as accurately as possible the ACDBE participation the sponsor would expect in the absence of discrimination. Evidence may include, but is not limited to past participation by ACDBEs, a disparity study, evidence from related fields that affect ACDBE opportunities to form, grow, and compete (such as statistical disparities in ability to get required financing, bonding, insurance; or data on employment, self-employment, education, training and union apprenticeship)

The sponsor will arrange solicitations, times for the presentation of bids, quantities, specifications, and delivery schedules in ways that facilitate participation by ACDBEs and other small businesses and by making contracts more accessible to small businesses, by means such as those provided under § 26.39 of this part.

A description of the methodology to calculate the overall goal for car rentals, the goal calculations, and the data we relied on can be found in *the Attachment to this program*.

A description of the methodology to calculate the overall goal for concessions other than car rentals, the goal calculations, and the data we relied on can be found in *the Attachment to this program*.

Projection of Estimated Race-Neutral & Race-Conscious Participation (23.45(f), 23.25(d-e))

The breakout of estimated race-neutral and race-conscious participation can be found with the goal methodology in *the Attachment to this program*. This section of the program will be reviewed annually when the goal calculation is reviewed under 23.41(c).

Concession Specific Goals (23.25 (c)(e)(1)(iv))

DRAFT 2014

The **Recipient** will use concession specific goals to meet any portion of the overall goals it does not project being able to meet using race-neutral means. Concession specific goals are established so that, over the period to which the overall goals apply, they will cumulatively result in meeting any portion of our overall goal that is not projected to be met through the use of race-neutral means.

We will establish concession specific goals only on those concessions that have direct ownership arrangements (except car rentals), sublease, or subcontracting possibilities. We will require businesses subject to ACDBE goals at the airport (except car rental companies) to make good faith efforts to explore all available options to meet goals, to the maximum extent practicable, through direct ownership arrangements with DBEs (23.25 (f)). Car rental firms are not required to change their corporate structure to provide for direct ownership arrangements. In the case of a car rental goal, where it appears that all or most of the goal is likely to be met through the purchases by car rental companies of vehicles or other goods or services from ACDBEs, one permissible alternative is to structure the goal entirely in terms of purchases of goods and services.)

We need not establish a concession specific goal on every such concession, and the size of concession specific goals will be adapted to the circumstances of each such concession (e.g., type and location of concession, availability of ACDBEs.)

If the objective of a concession specific goal is to obtain ACDBE participation through direct ownership with an ACDBE, the **Recipient** will calculate the goal as a percentage of the total estimated annual gross receipts from the concession. (23.25(e)(1)(i))

If the concession specific goal applies to purchases and/or leases of goods and services, the **Recipient** will calculate the goal by dividing the estimated dollar value of such purchases and/or leases from ACDBEs by the total estimated dollar value of all purchases to be made by the concessionaire. (23.25(e)(1)(ii))

Good Faith Efforts on Concession Specific Goals (23.25(e)(1)(iii), (iv))

To be eligible to be awarded a concession that has a concession specific goal, bidders/offerors must make good faith efforts to meet the goal. A bidder/offeror may do so either by obtaining enough ACDBE participation to meet the goal or by documenting that it made sufficient good faith efforts to do so. (23.25(e)(1)(iv)). Examples of good faith efforts are found in Appendix A to 49 CFR Part 26. The procedures applicable to 49 CFR Sections 26.51 and 26.53, regarding contract goals apply to the **Recipient's** concession specific goals. Specifically,

Demonstration of good faith efforts (26.53(a) & (c))

The **ACDBELO is** responsible for determining whether a concessionaire who has not met the concession specific goal has documented sufficient good faith efforts to be regarded as **responsible**.

DRAFT 2014

We will ensure that all information is complete and accurate and adequately documents the bidder/offeror's good faith efforts before we commit to the concession agreement with the bidder/offeror.

Information to be submitted (26.53(b))

The **Recipient** treats bidder/offeror's compliance with good faith effort requirements as a matter of **responsibility**.

Each solicitation for which a concession specific goal has been established will require the concessionaires to submit the following information:

1. The names and addresses of ACDBE firms or ACDBE suppliers of goods and services that will participate in the concession;
2. A description of the work that each ACDBE will perform;
3. The dollar amount of the participation of each ACDBE firm/supplier participating;
4. Written and signed documentation of commitment to use a ACDBE whose participation it submits to meet a contract goal;
5. Written and signed confirmation from the ACDBE that it is participating in the concession as provided in the prime concessionaire's commitment and
6. If the contract goal is not met, evidence of good faith efforts

Administrative reconsideration (26.53(d))

Within **four (4)** days of being informed by the **Recipient** that it is not **responsible** because it has not documented sufficient good faith efforts, a concessionaire may request administrative reconsideration. Concessionaire should make this request in writing to the following reconsideration official: **Director of Public Works at 1106 Second Street, Eureka, CA 95501 (Fax: (707) 445-7409)**. The reconsideration official will not have played any role in the original determination that the concessionaire did not document sufficient good faith efforts.

As part of this reconsideration, the concessionaire will have the opportunity to provide written documentation or argument concerning the issue of whether it met the goal or made adequate good faith efforts to do so. The concessionaire will have the opportunity to meet in person with our reconsideration official to discuss the issue of whether it met the goal or made adequate good faith efforts to do so. We will send the concessionaire a written decision on reconsideration, explaining the basis for finding that the concessionaire did or did not meet the goal or make adequate good faith efforts to do so. The result of the reconsideration process is not administratively appealable to the Department of Transportation.

Good Faith Efforts when an ACDBE is replaced on a concession (26.53(f))

DRAFT 2014

The **Recipient** will require a concessionaire to make good faith efforts to replace an ACDBE that is terminated or has otherwise failed to complete its concession agreement, lease, or subcontract with another certified ACDBE, to the extent needed to meet the concession specific goal. We will require the concessionaire to notify the ACDBELO immediately of the ACDBEs inability or unwillingness to perform and provide reasonable documentation.

In this situation, we will require the concessionaire to obtain our prior approval of the substitute ACDBE and to provide copies of new or amended subcontracts, or documentation of good faith efforts.

If the concessionaire fails or refuses to comply within the specified time our contracting office will (insert procedures) until satisfactory action has been taken. If the concessionaire continues to fail to comply, the contracting officer may issue a termination for default proceeding.

If a concession specific goal is established, the Recipient will include the following assurances in its solicitation for bids/proposals:

The requirements of 49 CFR Part 23, regulations of the U.S. Department of Transportation, applies to this concession. It is the policy of the **County of Humboldt** to practice nondiscrimination based on race, color, sex, or national origin in the award or performance of this contract. All firms qualifying under this solicitation are encouraged to submit bids/proposals. Award of this concession will be conditioned upon satisfying the requirements of this proposal/bid specification. These requirements apply to all concessions firms and suppliers, including those who qualify as an ACDBE. An ACDBE concession specific goal has been established for this concession (**See Attachment**). The concession firm shall make good faith efforts, as defined in Appendix A, 49 CFR Part 26, to meet the concession specific goal for ACDBE participation in the performance of this concession.

The concession firm will be required to submit the following information: (1) the names and addresses of ACDBE firms and suppliers that will participate in the concession, (2) A description of the work that each ACDBE will perform; (3) The dollar amount of the participation of each ACDBE firm participating; (4) Written and signed documentation of commitment to use a ACDBE whose participation it submits to meet a contract goal; (5) Written and signed confirmation from the ACDBE that it is participating in the concession as provided in the prime concessionaire's commitment; and (6) If the contract goal is not met, evidence of good faith efforts.

Section 23.53 Counting ACDBE Participation for Car Rental Goals

We will count ACDBE participation toward overall goals other than car rental as provided in 49 CFR 23.53.

Section 23.55 Counting ACDBE Participation for Concessions Other than Car Rentals

We will count ACDBE participation toward overall goals other than car rental as provided in 49 CFR 23.55.

Section 23.57 (b) If the awards and commitments on our Uniform Report of ACDBE Participation at the end of any fiscal year are less than the overall goal applicable to that fiscal year, we will:

- (1) Analyze in detail the reasons for the difference between the overall goal and our awards and commitments in that fiscal year;
- (2) Establish specific steps and milestones to correct the problems we have identified in our analysis to enable us to fully meet our goal for the new fiscal year;

Section 23.61 Quotas or Set-asides

We will not use quotas or set-asides as a means of obtaining ACDBE participation.

SUBPART E – OTHER PROVISIONS

Section 23.71 Existing Agreements

We will assess potential for ACDBE participation when an extension or option to renew an existing agreement is exercised, or when a material amendment is made. We will use any means authorized by part 23 to obtain a modified amount of ACDBE participation in the renewed or amended agreement.

Section 23.75 Long-Term Exclusive Agreements

We will not enter into a long-term exclusive agreement for concessions without prior approval of the FAA Regional Civil Rights Office. We understand that a “long-term” agreement is one having a term of longer than 5 years. We understand that an “exclusive” agreement is one in which an entire category of a particular business opportunity is limited to a single business entity. If special, local circumstances exist that make it important to enter into a long-term and exclusive agreement, we will submit detailed information to the FAA Regional Civil Rights Office for review and approval.

Section 23.79 Geographic Preferences

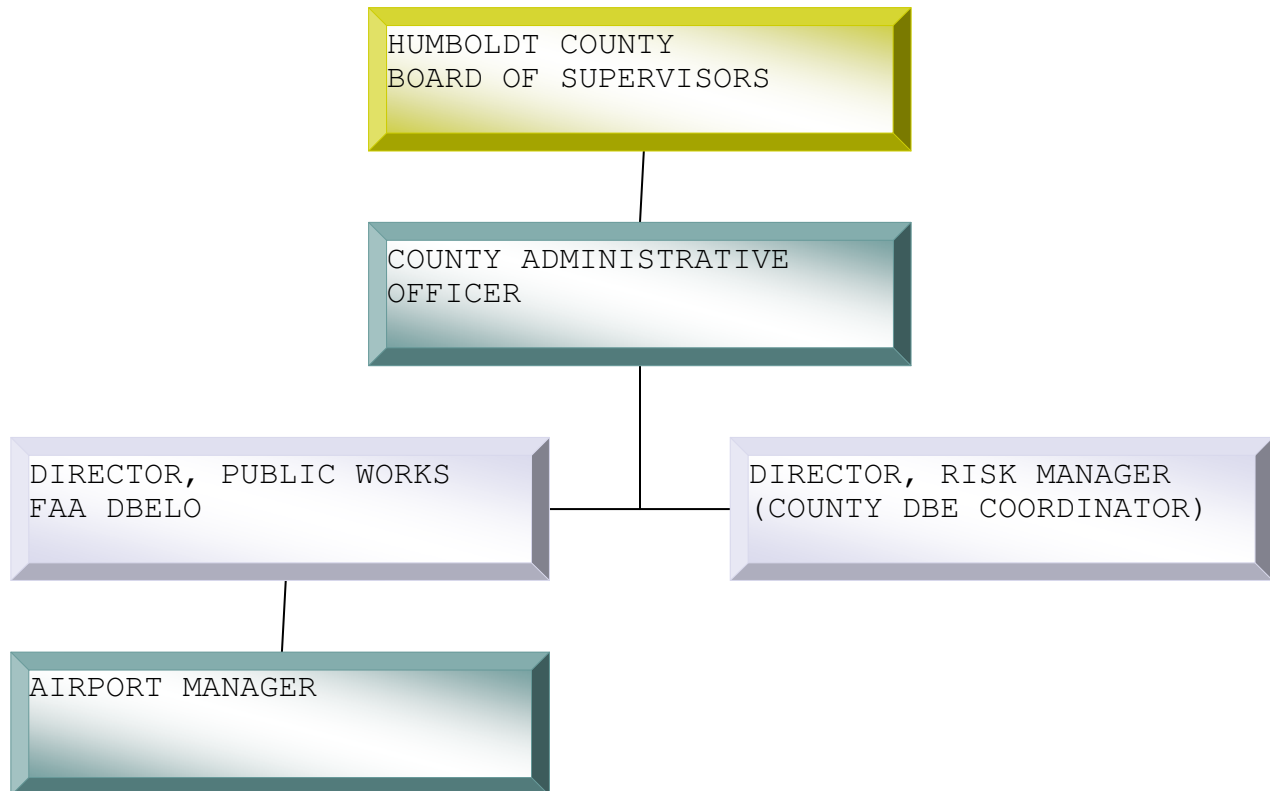

We will not use a “local geographic preference”, i.e., any requirement that gives an ACDBE located in one place an advantage over ACDBEs from other places in obtaining business as, or with, a concession at **our** airport.
