Subject: TerraGen Wind questions

Hello,

I have scoured the DEIR but cannot find answers to a few questions that I hope you can answer:

1. What are the tax revenues to the County?
2. Will herbicides be used to control vegetation in the transmission lines corridor(s)?
3. Are you aware of any contracts Terra Gen has for the power generated?

I 19-1

If I missed the relevant passages in the DEIR, please reference them.

Thank you
