Subject: Humboldt Wind Turbines project
Date: Wednesday, June 12, 2019 4:38:09 AM

To whom it may concern:

I am writing to you about the concerns for the habitat and the wildlife due to the possibility of placing wind turbines . This is not a necessity that needs to be done. It's damaging to all the surrounding environment and to the wildlife and ecosystem. I do not support the Humboldt wind turbine project.

I136-1

Thank you,
B. Benko
