Candidate Guide

Introduction

This candidate guide is intended to be a general purpose resource for those seeking county, state, and federal offices in the **Presidential Primary Election** on March 3, 2020. The candidacy period for the Election is November 11* – December 6, 2019. We have tried to make it as useful and accurate as possible, but it should not be relied upon in place of the Elections and/or Government Codes for statutory guidance.

Candidates and others interested in the process of running for office should make use of online resources from the Secretary of State, Fair Political Practices Commission (FPPC), and Federal Elections Commission (FEC):

<https://www.sos.ca.gov/> The California Secretary of State's website is an excellent reference for candidates.

<http://www.fppc.ca.gov/> Creating a campaign committee requires forms and some familiarity with the California Political Reform Act. The FPPC is the ultimate source for information, materials, and training resources for campaigns and committees.

The FPPC encourages candidates to contact them with questions relating to forms, timelines, and reporting requirements.

Incompatibility of Offices

The Political Reform Act does not prohibit any office holder from holding multiple public offices or seeking more than one elective office. For example, a deputy district attorney can hold the office of city council member, or a water board director may also be elected to a park and recreation district. There are, however, instances of holding more than one office that are considered incompatible.

There is no single statute that defines “incompatibility of offices”. The common law doctrine of incompatibility of offices, however, prevents an elected official from holding two offices simultaneously ***if the offices have overlapping and conflicting public duties***. The courts have defined this concept as follows: “One individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both.” The State of California Attorney General’s Office has issued many opinions of particular compatibility questions.

Here are six examples of incompatible offices:

1. The offices of city councilman and school district board member where the city and the school district have territory in common;
2. fire chief of a county fire protection district and member of the board of supervisors of the same county;
3. high school district trustee and trustee of an elementary school district which is wholly within the geographic boundaries of the high school district;
4. water district director and a city council member;
5. county board of supervisors member and community college board member;
6. water district director and a school district trustee having territory in common;
7. deputy sheriff and county supervisor; and
8. county planning commissioner and county water district director.

If you have a question about whether two public offices which you hold or seek to hold would be considered incompatible, contact the Attorney General’s office at (916) 324-5437 or visit their website, <https://www.oag.ca.gov/>. For further information about conflict of interest or

incompatibility of offices, contact the Fair Political Practices Commission’s website at <http://www.fppc.ca.gov/>, or phone toll free 1-866-275-3772.

Candidates must obtain signatures from voters who live in the district or political subdivision for which the candidate is seeking office. With respect to a candidacy for partisan office, signers shall be voters who disclosed a preference, pursuant to Elections Code, Section 2151, for the party, if any, for which the nomination is proposed. With respect to a candidacy for voter-nominated office, signers need not have disclosed a preference for any party.

Presidential Primary Election

Elections Code, Section 8068

Signatures in lieu petitions must be filed with the county elections official in the county where circulated. Candidates must submit all signatures in lieu at one time. The Office of Elections is no longer able to accept signatures in lieu on an on-going basis.

DEADLINE FOR FILING SIGNATURE IN LIEU PETITIONS: NOVEMBER 6, 5 PM

Elections Code, Section 8106

If a petition is submitted containing numerous duplicate signatures (in order to file a larger number of signatures in lieu), those signatures will be disqualified and credit toward the filing fee will not be given to them. The candidate must either pay the full amount remaining of the filing fee or forfeit the opportunity to be a candidate.

Elections Code, Section 8061

The portion of the filing fee not covered by the in lieu signatures must be paid in full before candidacy and nomination filings may be submitted.

Names and addresses of candidates requesting signatures in lieu petitions are considered public information.

Elections Code, Sections 8105, 8106

Signatures in Lieu of Nomination Signatures

Signatures in lieu petition forms cannot be used in lieu of nomination forms. However, signatures provided on in lieu petitions may be counted toward nomination signatures. When the number of valid signatures on the in lieu petition exceeds the number of nomination signatures required for the office sought, the candidate is not required to circulate and file separate nomination papers. Instead, the candidate may submit a written request to the county elections official to count the valid signatures on the in lieu petition toward the nomination signature requirement. However, the other required documents (e.g. declaration of candidacy, etc.) must still be filed.

Voter-nominated offices require party-specific voter signatures for the party in which nomination is proposed.

Candidates have the option of placing a statement of qualifications in the county voter information guide, which is made available to all registered voters. Filing a candidate statement is optional. Candidate Intention (Form 501)

A candidate for state or local office must file this form for each election, including reelection to the same office.

File Form 501 before soliciting or receiving any contributions or before making expenditures from personal funds on behalf of a committee. Form 501 is considered filed the date it is postmarked or hand delivered.

A separate campaign bank account must be established including campaigns that are self-funded by the candidate. **Exception:** A bank account is not required if a candidate will not receive contributions or make personal expenditures of less than \$2,000. **Note:** Filing and statement of qualification fees are not included in calculating the \$2,000.

Statement of Organization (Form 410)

File Form 410 within 10 days of receiving \$2,000 in contributions. Include a \$50 payment made payable to the Secretary of State. Thereafter, the \$50 fee is due annually no later than January 15. In addition to the \$50 fee, a penalty of \$150 may be assessed if payment is late.

For early submissions, mark the “not yet qualified” box. The \$50 fee is requested at this time but is not legally required until the group qualifies as a committee.

The committee’s FPPC identification number will be posted at <https://www.sos.ca.gov/>. Read instructions carefully as a Form 410 will be rejected if any applicable sections are incomplete. **Note:** All committees must disclose the financial institution and bank account number used by the committee.

Independent expenditures that total in the aggregate \$1,000 or more to support or oppose a single candidate for elective local office or a single local ballot measure must be reported as 24-hour independent expenditures using Form 496 during the 90 days immediately preceding the election in which the candidate or measure will be voted on. **Note:** If a committee primarily formed to support or oppose a candidate or measure, file Form 496 within 24 hours of making the independent expenditure(s) with the filing officer(s) who would receive the committee's campaign statements. File Form 496 by fax, guaranteed overnight delivery, or personal delivery. **Note:** Regular mail may not be used. A local ordinance also may require this form to be filed electronically. An "independent expenditure" is an expenditure made in connection with a communication (e.g., a billboard, advertisement, or mailing) that expressly advocates the nomination, election, or defeat of a clearly identified candidate or the qualification, passage, or defeat of a clearly identified measure. An independent expenditure is a payment that is not made to—or at the behest of—the affected candidate or committee.
