NOTICE OF ACCEPTANCE OF SOLID WASTE FACILITY
PERMIT APPLICATION
RECOLOGY HUMBOLDT COUNTY 12-AA-0127

PERMIT TYPE:	Solid Waste Facility Registration Permit
FACILITY NAME:	Recology Humboldt County
FACILITY LOCATION:	555 Vance Ave, Samoa CA 95564
APPLICANT:	Recology Humboldt County
CONTACT INFO:	Carolyn Hawkins (707) 268-2224

The Humboldt County Solid Waste Local Enforcement Agency (LEA) accepted an application on November 26, 2019 for a permit authorizing continued operation of a Medium Volume Transfer Processing Facility. The permit application was submitted to document changes in the facility's operation since the issuance of the previous permit in 2018.

Facility Description: The facility receives recyclable materials from curbside collection, commercial accounts, and other area recycling centers; it then sorts and transports sorted recyclable material for sale and further processing. As the percentage of residual (solid waste) that enters the facility is greater than 10%, the facility must operate under a solid waste facility permit.

To Review the Permit Application: A copy of the permit application is available for review by appointment at the Humboldt County Department of Health & Human Services, Division of Environmental Health office at 100 H Street, Suite 100, Eureka CA 95501 between 8:30 am-5:00pm (we are closed for lunch between noon and 1:00pm). Contact DEH at (707) 445-6215 to schedule an appointment. Written appeals challenging the LEA's decision and alleging that the LEA failed to act as required by law or regulation during the approval process, may be filed at the DEH office.

To Submit Comments on the Permit Application: Written comments may be conveyed to the LEA via email (chawkins2@co.humboldt.ca.us), fax (707-441-5699), or regular mail (DEH, 100 H Street, Ste. 100, Eureka, CA 95501).
