On 10-23-2006 around 1405 hours, Lieutenant G. Cavinta, Humboldt County Sheriff's Office Criminal Investigation Division, told me to meet at the briefing table in the Criminal Investigations Division for a meeting.

I arrived at the briefing table and present was Deputy Sheriff Detective T. Cooke, and Sergeant W. Hanson. Lieutenant Cavinta told us an Eureka Police Officer was involved in an officer involved shooting and assistance for the Critical Incident Response Team was requested by the Eureka Police Department and Humboldt County District Attorney's Office. Lieutenant Cavinta told us we were going to be assisting in the investigation. Lieutenant Cavinta told us an officer involved shooting occurred in the City of Eureka and we were to respond to the Eureka Police Department to meet with Humboldt County District Attorney Investigator M. Losey and Detective C. Honeycutt, Eureka Police Department, for briefing and assignments.

Lieutenant Cavinta contacted Deputy Sheriff Detective R. Schlesiger who was in the field to respond to Eureka Police Department for the assistance request.

Around 1440 hours, Detective Cooke and I arrived at the Eureka Police Department for the briefing and assignments.

After the briefing was conducted by Detective Honeycutt and Investigator Losey assignments were given out. Detective Cooke and I were assigned to contact Humboldt County Probation Officer Petrina Fennell who was located at the Eureka Police Department for a statement.

Around 1541 hours, Detective Cooke and I met with Probation Officer Petrina Fennell. I audio recorded this interview with Officer Fennell using a digital recorder. I later placed Officer Fennell's statement onto a Memorex CD-R disc and later booked it into evidence (Exhibit PF-1). The following is a summary of Officer Fennell's statement. For Officer Fennell's complete statement see Exhibit PF-1. This interview took place in Lieutenant L. Johnson's office, Eureka Police Department.

Officer Fennell told us she has been a Deputy Probation Officer for 5 years. Officer Fennell told us today (10-23-2006) they were going to a house to do a warrant arrest on one of her who is on her case load. Officer Fennell told us the name is Officer

Detective M. Kirkpatrick 0583
200606587
Fennell told us Senior Probation Officer Steven Schaening and Deputy Probation Officer Andrew McLaughlin went along with her. Officer Fennell told us her intent was to take [redacted] into custody for an outstanding warrant of arrest. Officer Fennell told us the warrant was for probation violation and termination of placement. Officer Fennell told us [redacted] started in probation at the [redacted].

Officer Fennell told us it was around 1350 hours when they arrived at the location of [redacted]. Officer Fennell told us the location [redacted] was at was [redacted] Dolbeer Street Eureka. Officer Fennell told us this was a like a in law unit and away from the main residence. Officer Fennell told us this is not where [redacted] lives but she received information from a person that [redacted] was at this location. Officer Fennell described [redacted] as around 5-7, 190-200 pounds, dark hair, dark eyes, and claims to be American Indian. Officer Fennell told us the information she received was [redacted] was at this location.

Officer Fennell told us Officers Schaening, McLaughlin, and her went to this location. Upon their arrival, Officer Fennell said she met with a female coming out from a gate area. Officer Fennell said this lady said this residence was hers and Officer Fennell met this lady. The lady told her [redacted] was back there inside, her brother was there, and go ahead and go in. Officer Fennell said she didn’t know the name of the lady but she knew it was the [redacted] to [redacted]. Officer Fennell told us this lady told us to open the gate and go straight right in.

Officer Fennell told us they went up to residence and the front door was cracked open. Officer Fennell told us when she opened the door she saw [redacted] sitting in a chair right by the door. Officer Fennell told us she saw [redacted] with a knife and what looked like he was sharpening it. Officer Fennell told us she told [redacted] that he needed to put the knife down. Officer Fennell told us she saw two other people in the room. Officer Fennell told us it was an older guy and a young girl.

Officer Fennell told us she was assuming [redacted] was sharpening a knife because he had a sharpening stone in one hand and a knife in the other hand. Officer Fennell described the knife as a hunting knife with a silver blade.
around 3 to 4" long. Officer Fennell didn’t see the handle of the knife but thinks it might be a folding type knife.

Officer Fennell told us when she told ___ to put the knife down he stood up and started swinging the knife towards them. Officer Fennell told us ___ was telling them he wasn’t going in, they were not going to take him in, he will fucking kill them, and he would kill them. Officer Fennell said Officer Schaening stepped around and sprayed ___ with pepper spray. Officer Fennell said after ___ was sprayed it appeared it didn’t subdue him at all and it just agitated him more. Officer Fennell said ___ started coming to the door and at them. Officer Fennell told us she started backing out the front door. Officer Fennell said she stepped away and back up because ___ was coming towards them really close. Officer Fennell told us they were trying to keep their distance from ___ Officer Fennell told us ___ was trying to get out of the residence and leave.

Officer Fennell said once they backed out of the residence ___ left the residence and took off running.

Officer Fennell told us she thought ___ would have cut somebody. Officer Fennell thought this because of the way ___ was lunging at them, his attitude, absolutely non compliant, not new to probation, he knows when a probation officer come, he knew he was on a warrant and would be brought into ___ and was well aware of what going to happen to him if he got caught.

Funnell told us she thinks ___ was holding the knife in his right hand. Funnell told us she thinks when ___ was pepper sprayed he was sprayed in the face but it was really fast and hard to say. Officer Fennell told us it might have sprayed on the subjects sitting on the couch. Officer Fennell said she thinks this because ___ had taken off running and Officers Schaening and McLaughlin gave chase the male complained about them spraying them. Officer Fennell told these subjects it was pure accident and that was not was going on.

Officer Fennell said the entire time ___ was waving the knife at them coming out the door, the subjects said don’t ___ (___ you know you don’t need to do that.)
Officer Fennell told us this incident happened really fast. Officer Fennell told us she could not remember exact wording but she remembers him saying he will fucking cut them and he would kill them. Officer Fennell said this really happened fast for him coming to the door, taking off, and her telephoning 9-1-1 for assistance. Officer Fennell said she called 9-1-1 for assistance after getting back to her vehicle and Schaening and McLaughlin running after Officer Fennell said she reported she was at a location for a probationer, that had threatened them with a knife, he took off running, had probation officers chasing the probationer and they needed back up.

Officer Fennell told us she felt if they did not get out of way they would have been cut or injured. Officer Fennell told us when he was coming towards them he was brandishing the knife and swinging the knife towards them. Officer Fennell felt whoever was in the way of they would have been cut or injured. Officer Fennell told us she didn’t get that close to with the knife because when he had the knife out going towards them she was one of the first one’s to get behind the other two probation officers. Officer Fennell told us she didn’t know how close came to the other two probation officers.

Officer Fennell told us all of them backed out of the doorway when came towards the doorway. Officer Fennell told us once they were out of the residence took off running. Officer Fennell told us Officers Schaening and McLaughlin took off running after

Officer Fennell told me she has had on her caseload since June 2006.

Officer Fennell told us when she was backing out of the house, had the knife in his had and said he was going to fucking kill them, he was going to slice them, and saying stuff towards them.

Funnell told us after Officers Schaening and McLaughlin took off running after the male who was in the residence came out to talk to her. Funnell told us she knew the direction was running towards there was a school and she needed to contact law enforcement but she didn’t want to have this male near her when she did this.
Officer Fennell told us she told the male it was not their intent to pepper spray him and got into her vehicle. Once in her vehicle she telephoned the police asking for assistance.

Officer Fennell told us [redacted] knows he has a warrant for his arrest. Officer Fennell told us she was wearing a raid jacket with probation in yellow on the left front chest area and Probation on the back of the jacket. Officer Fennell told us Officer Schaening was wearing a bulletproof vest with Probation on it and Officer McLaughlin had his badge visible on his belt loop. Officer Fennell told us [redacted] knows who she is from dealing with [redacted] (this is the daughter to the [redacted]). Officer Fennell told us [redacted] knows who they were.

Officer Fennell told us she has heard when [redacted] is high on drugs he is not very compliant. Officer Fennell told us since [redacted] has been on her caseload he was doing good but later took off from placement and has heard he has been getting high with his [redacted]. Officer Fennell told us [redacted] is [redacted] and was [redacted] with another [redacted]. Officer Fennell told us [redacted] knows where [redacted] has been staying and [redacted] requested probation to pick [redacted] up because she knew how [redacted] reacts with law enforcement. Officer Fennell told us [redacted] told her this and it was also told to Officer Schaening. Officer Fennell told us the reason the [redacted] wanted probation to pick up [redacted] is because there was one time when [redacted] was drunk and he insisted that he was beat up. Officer Fennell said this incident was pretty much because [redacted] was non compliant.

Officer Fennell told us she was scared when [redacted] was swinging the knife and backing them up at the residence.

Officer Fennell told us she filed a warrant of arrest for [redacted] on 09-29-2006.

Officer Fennell told us as she left the residence she telephoned 9-1-1 for assistance and saw them running and making a left (Chester Street) by the school (Washington School). Officer Fennell told us she saw Jon Sylvia with Officer McLaughlin looking in the property (Chester Street). Officer Fennell told us she drove her vehicle to this area and pulled into a driveway. Officer Fennell told us Eureka Police Officers arrived on the scene and asked...
her if she knew where they were but she didn’t know. Officer Fennell said when she was outside her vehicle and towards a fence she heard someone saying got him but didn’t know who said it or where it was coming from. Officer Fennell told us she then heard two gunshots. Officer Fennell told us she didn’t go down to the shooting location.

Officer Fennell told us the last time she saw [redacted] was at the residence and he was holding the knife when he took off.

Officer Fennell told us after the shots she went back to her vehicle and telephoned her supervisor. Officer Fennell told us she went to the school and saw some probationers by the school and she told them they needed to leave. Officer Fennell told us these kids don’t attend Washington School. Officer Fennell told us she stood by in the area. Officer Fennell told us she met with Officer McLaughlin and Officer McLaughlin said that [redacted] had been shot. Officer Fennell told us she was advised to clear the sidewalk. Officer Fennell told us she later left and went to the Eureka Police Department.

Around 16:18 hours, Detective Cooke and I met with Eureka Police Department Sergeant M. Johnson. I audio recorded this interview with Sergeant Johnson using a digital recorder. I later placed Sergeant Johnson’s statement onto a Memorex CD-R disc and later booked it into evidence (Exhibit MJ-1). The following is a summary of Sergeant Johnson’s statement. For Sergeant Johnson’s complete statement see Exhibit MJ-1. This interview took place in Lieutenant L. Johnson’s office, Eureka Police Department.

Sergeant Johnson told us he was the duty sergeant for “A” watch (day watch - patrol). Sergeant Johnson told us he was at Eureka Police Department carport area and heard over the radio a broadcast. Sergeant Johnson told us this radio broadcast he heard was a request for back up it was very frantic sounding, high pitched, and broken. Sergeant Johnson told us he didn’t know who was asking for back up or the location they needed the assistance. Sergeant Johnson told us as soon as he heard this he immediately ran to his vehicle and got in. Sergeant Johnson told us he started up his vehicle and as he was heading out the back lot area he heard over the radio what he believed to be [redacted] Dolbeer and a an identifier probation (an X unit).
Sergeant Johnson told us he responded generally to this area lights and siren. Sergeant Johnson told us when responding to this area he heard the same probation officer broadcasting. Sergeant Johnson told us the probation officer was screaming in the radio and hard to understand. Sergeant Johnson told us he heard something about a [redacted] with a knife and then thought he heard something like the address of [redacted] Dolbeer. Sergeant Johnson told us he thought the probation officer was cutting themselves off on the mike and hoping he had the right address. Sergeant Johnson told us he had his dispatcher status check this probation officer because there was a lot of dead time on the air. Sergeant Johnson told us shortly there after he hears 3B87 (which is Officer Liles) put out he was out at Chester and Dolbeer. Sergeant Johnson told us he now knows where he is going. Sergeant Johnson told us from there there was not a whole lot of radio traffic and he was trying to get to the area as fast as he could get there because he knows Officer Liles was out there.

Sergeant Johnson told us he didn’t know really who arrived first at the scene or the sequence of the events of officers arriving. Sergeant Johnson told us as he arrived at the scene Officer Watson arrived.

Sergeant Johnson told us as he pulled up blocking the roadway between Chester and W Street he saw Officer Watson exit his vehicle with his patrol rifle. Sergeant Johnson told us he exited his vehicle with his handgun. Sergeant Johnson told us he immediately runs into a citizen on the north side of the roadway. Sergeant Johnson told this this citizen directed them to the area the officers are. Sergeant Johnson told us they went through the backyard and he hears Officer Metaxes in the gully. Sergeant Johnson told us he could not see Officer Metaxes at this point and he was not far away. Sergeant Johnson told us Officer Watson told him it was over here and they proceeded down the gully. Sergeant Johnson told us he yelled to Officer Metaxes where is he. Sergeant Johnson told us Officer Metaxes yelled back in the gully and said he heard three gunshots. Sergeant Johnson told us as he was trying to make his way down to the gully he could hear the bushes moving and he yelled to the officers in the gully are the officers alright. Sergeant Johnson told us someone yelled back the officers were alright and the [redacted] was down. Sergeant Johnson told us he heard Officer Liles responded to him
telling him he was alright but Sergeant Johnson didn’t know who responded saying the was down. Sergeant Johnson told us he didn’t know if he had one two or more so he stayed at the top area of the gully while Officer Watson proceeded down in the gully. Sergeant Johnson told us he yelled down into the gully ridge area initially and asked how many there were and he was told there was just one.

Sergeant Johnson told us he then went down into the gully. Sergeant Johnson told us by the time he got down into the gully Officer Watson, Officer Metaxes, Officer Liles, and Sergeant Sylvia were down there by the Sergeant Johnson told us upon his arrival he saw the was handcuffed. Sergeant Johnson told us the was lying on his belly handcuffed and they told Sergeant Johnson they needed to get him out of there. Sergeant Johnson told us he confirmed medical aid was coming and basic notifications were done (CID, Chief). Sergeant Johnson told us he did all this over his radio. Sergeant Johnson told us he reached down to check the for a pulse as quick as he could but didn’t feel one. Sergeant Johnson told us he rolled the over to take a quick look at him and he didn’t appear to be breathing. Sergeant Johnson told us the four of them started immediately dragging the up out of the gulch. Sergeant Johnson told us in the gulch it was very thick and no easy way out. Sergeant Johnson told us they looked for the quickest route to get the so medical aid could attend to him immediately.

Sergeant Johnson told us it would have been very hard for medical aid to locate them in the gully to render medical aid. Sergeant Johnson told us he grabbed an arm, Metaxes grabbed an arm, Sylvia grabbed the left rear leg, Officer Liles right rear leg, and Officer Watson had a hold of the suspect’s sweatshirt. Sergeant Johnson told us it was almost straight up dragging the up out of the gully.

Sergeant Johnson told us they finally got the up to the ridge area of the gully and medical arrived. Sergeant Johnson told us he un-handcuffed the and he could see the pants and underwear had slid down to his ankles, sweatshirt had raised up to his shoulder, and he could see that the didn’t have any weapon. Sergeant Johnson told us medical was running towards them and the was turned over to the medical personnel.
Sergeant Johnson told us he moved Officer Liles away from anyone. Sergeant Johnson told us for public safety he asked Officer Liles how many shots did he fire, in what direction, were there any more blank, and is there any other safety concern they needed to address to the public. Sergeant Johnson told us Officer Liles told him he fired three shots, there was only one blank showed the direction he fired which appeared to him no residence or pedestrians would be in jeopardy. Sergeant Johnson told us he isolated Officer Liles from everybody and walked Officer Liles over to Lieutenant Johnson and stayed with Officer Liles. Sergeant Johnson told us Officer Liles had a ride-a-long with him who is applying to be a dispatcher with the Eureka Police Department; the rider stayed in Officer Liles vehicle to his knowledge, and was still sitting in Officer Liles vehicle. Sergeant Johnson told us he contacted the ride-a-long and told them that he had someone responding to the area to pick them up and transport them back to Eureka Police Department.

Sergeant Johnson told us he then met with Lieutenant Johnson and briefed him of this incident. Sergeant Johnson told us he met with CID (Criminal Investigation Division) and told them where the scene was and they needed to block off, directed Officer Metaxes help secure the scene, Sergeant Hislop arrived and he asked him to help over see securing the scene, because it was going to be his duty to take Officer Liles back to head quarters to a secure place and away from everyone.

Sergeant Johnson told us the abrasions on his left forearm, right forearm, and above left eye are from dragging the blank from the scene up out of the gully to medical aid. Sergeant Johnson told us he has some scratches on his legs too. Sergeant Johnson told us photographs were already taken of him, his injuries, and uniform by their evidence technician (later found out Technician blank took these photographs).

Sergeant told us he did see a knife. Sergeant Johnson told us he didn’t know which officer had collected the knife. The officer had a baseball cap and inside the cap was a Buck knife. Sergeant Johnson told us to the best of his knowledge the knife had a black handle and was approximately 8 inches. Sergeant Johnson told us he saw this in one of the officer’s hands when he arrived at the scene. Sergeant Johnson told us he didn’t know which
officer had the hat and knife but his best recollection is Officer Watson had it. Sergeant Johnson told us he couldn’t remember the officer but when they were at the top he told the officer to give the knife over to he believes Detective Honeycutt. Sergeant Johnson told us Detective Honeycutt and Detective Parris was standing together.

After looked at each house on either side of Chester Street and she was sure it was Chester Street she witnessed the shooting at.

Detective Cooke and I took down the driveway of Chester Street to show her the area and she pointed to the north east back corner area of the garage as the location she saw shot. Detective Cooke and I looked around for any blood in this area with negative results. When we took down the driveway she told us she never came down this driveway. told all she could see during the incident was the top of hat because of all the cops around. told us she heard gunshots before fell. told us there was a bunch of officers around. told us there were a lot of cop

gave us verbal permission to come into her residence regarding us looking for a wet stone (used for sharpening knife, etc.). told us she didn’t know of a sharpening stone and the only one she knew about was an electric one that was on the north wall area on a shelf. While in residence, I saw a wet stone on a top of a desk located in back of the couch. I asked about this stone and she said she didn’t know if it was or her brother’s.

I asked Detective Cooke to take digital photographs of the wet stone location and seize the item for evidence. Detective Cooke took digital photographs of the stone and later placed the digital photographs onto a CD-R disc. Detective Cooke seized the wet stone. Detective Cooke was going to book the CD-R disc containing digital photographs into evidence at a later time. See Detective Cooke’s supplemental report.

Involved Person:

Narrative: On 10/23/06 at about 1445 hours, I met with Lt. George Cavinta in CID (Criminal Investigations Division) of the Sheriff's Office. Lt. Cavinta advised me that the CIRT (Critical Incident Response Team) team had been called out because a Eureka Police Department Officer was involved in a shooting. According to Lt. Cavinta, the victim was a male juvenile and was deceased. Lt. Cavinta advised me to respond to Chester St. near Washington School in Eureka, Ca. and meet with the other responding Detectives.

I left the Sheriff's Office and arrived on Chester St. at about 1500 hours. There were numerous patrol units on scene but there were no Detectives on scene. At about 1507 hours, I telephoned Det. Marvin Kirkpatrick on his cell phone since he was one of the responding Detectives. Det. Kirkpatrick advised me that all the Detectives were briefing at the Eureka Police Department. I left Chester St. and arrived at Eureka Police Department at about 1514 hours.

I met with the following personnel in the Detective Bureau of the Eureka Police Department. Eureka Police Department (ET) Evidence Technicians Isaac, Eureka Police Department Detectives Curt Honeycutt and Dave Parris, District Attorney Investigator Mike Losey, Humboldt County Sheriff's Office Detectives Wayne Hanson, Tom Cooke and Marvin Kirkpatrick, and Arcata Police Department Detective Bates. We were all briefed on what we knew at this point had occurred. Det. Bates and I were teamed up and to interview the PO's (Probation Officers) that were involved.

200606587
The background information that I had on the PO’s was that on 10/23/06 at about 1330 hours, Steven Schaening, Petrina Fennel and Andrew McLaughlin went to Dolbeer St. in Eureka to arrest on a warrant. When these PO’s arrived, was in the residence armed with a knife. threatened the PO’s with the knife and a foot pursuit began. was chased to Chester St. and Eureka Officers were called for assistance. The PO’s lost sight of and Eureka Police Officer Terry Liles arrived on scene. Officer Lyles went into a wooded area where was last seen and shots were fired and was later pronounced deceased at St. Joseph’s Hospital.

All three of the PO’s were standing by at the Eureka Police Department waiting to be spoken too. At about 1534 hours, Det. Bates and I interviewed Steven Schaening in an interview room in the Detective Bureau of the Eureka Police Department. The interview was recorded refer to Det. Bates’ report for details regarding this interview.

On 10/23/06 at about 1602 hours, Det. Bates and I interviewed PO Andrew McLaughlin in an interview room. The interview was digitally recorded and later placed onto CD. The following is a summary of the interview and a transcript was prepared of the interview.

PO McLaughlin advised us that he had been a Probation Officer just short of 5 years. I asked PO McLaughlin how he ended up going to Dolbeer St. PO McLaughlin said that he met with PO Petrina Fennel in his office and she asked for assistance in arresting because she knew where was staying. PO Fennel also advised PO McLaughlin that PO Steven Schaening would also be assisting them.

PO McLaughlin said at about 1345 hours, he, PO’s Fennel and Schaening arrived at Dolbeer St. They arrived in two separate vehicles, PO McLaughlin rode with PO Fennel and PO Schaening drove his own vehicle. PO McLaughlin said that he exited the vehicle and there was an adult female standing outside of the residence. PO McLaughlin asked the female if was at the residence and the female told PO McLaughlin that was not in the main residence but in an outbuilding. The PO’s asked this female if they could go through a gate where the outbuilding was located. The female said that was fine because it was her residence.

PO McLaughlin said that he walked through the gate first followed by PO Fennel then PO Schaening. PO McLaughlin asked PO Schaening to go to the front door because PO Schaening was wearing a vest and had previous contacts with PO Schaening and PO Fennel went to the front door and PO McLaughlin went back out the gate to keep an eye on the female they first contacted and to keep an eye on the rear of the residence. PO McLaughlin said when he went back out the gate there was now a male with the female.
PO McLaughlin said at this point he heard voices escalating and someone saying, “don’t.”

PO McLaughlin came back through the gate and was armed with what PO McLaughlin described as a K-Bar knife. was outside of the residence and seemed highly agitated. PO McLaughlin took several steps backwards and told PO Schaening to OC which PO Schaening did but it did not appear to get into face because the OC did not appear to have an effect on

PO McLaughlin took another step back and began running down the driveway toward Dolbeer St. PO McLaughlin began to pursue on foot. PO McLaughlin said that he was aware that a school was nearby and knew that his fellow Officers would be calling for back up so PO McLaughlin just tried to keep up with. About two-thirds of the way down the driveway PO McLaughlin was telling to drop the knife. stopped and threatened PO McLaughlin with the knife and said to PO McLaughlin, “You want to die fucker.”

I asked PO McLaughlin how was threatening him with the knife. PO McLaughlin said was holding the knife in his right hand and swinging it across his body. PO McLaughlin said he was about 8 feet away from when he was brandishing the knife. made another lunge toward PO McLaughlin and PO McLaughlin took a step back and began running again.

ran across Dolbeer St. toward the school entrance and PO McLaughlin was continuing to tell to drop the knife. then began running toward Chester St. PO McLaughlin said that he saw pedestrians and he began yelling at the pedestrians to move so they would be out of harms way. PO McLaughlin could also hear Eureka Police units responding code 3. At this point Sgt. Jon Sylvia was running next to PO McLaughlin. PO McLaughlin believed Sgt. Sylvia who was off duty, said to PO McLaughlin that he saw someone running with a knife. PO McLaughlin said that he let Sgt. Sylvia take over at this point but stayed with him.

PO McLaughlin said at this point the first responding Eureka Officer arrived and PO McLaughlin told the Officer that he must have passed or veered off into the brush. Sgt. Sylvia and PO McLaughlin went into the area where the houses were and the wooded area behind the houses. PO McLaughlin said that he and Sgt. Sylvia became separated.

PO McLaughlin said he could not see where anyone was at but he did hear some shouting and PO McLaughlin said he heard someone say, “We have him over here.”

PO McLaughlin said he went over one fence to someone’s yard and in this area it dropped off into a ravine. PO McLaughlin heard some more shouting and then heard two gunshots.
I asked PO McLaughlin when the persons were shouting what was being said and he said he could not make out what was being said. I asked PO McLaughlin if he could estimate how far away he was from where the incident took place and he believed about 50 yards.

I asked PO McLaughlin where PO Fennell was when this occurred. PO McLaughlin said that he did not see PO Fennell after the incident at Dolbeer St. until she drove up in a vehicle on Chester St. after he had searched for her.

After the shots were fired PO Schaeening yelled up from the ravine to have someone guide the other responding units into their location. PO McLaughlin said that he told PO Schaeening that he would do this. PO McLaughlin said that he did not meet with any of the other responding units just PO Fennell.

Det. Bates asked PO McLaughlin if he had any pepper spray with him. PO McLaughlin said he did not and if he had the pepper spray he would have utilized it.

PO McLaughlin said that he had not had police contacts with before but was aware that had been in and out of custody several times and ran around with other juveniles that were criminally oriented. PO McLaughlin was not aware of having a violent and/or weapons violation in his criminal history.

Det. Bates asked PO McLaughlin what was going through his mind when was threatening him and the other Probation Officers. PO McLaughlin said he knew that he did not have the equipment to stop but he did not want to get out of his sight because of the way was acting and the school was in such close proximity.

Det. Bates asked PO McLaughlin if he felt if he would have advanced on if would have used the knife against PO McLaughlin. PO McLaughlin said that he had no doubt that would have used the knife. This concluded our interview with PO McLaughlin.

After we interviewed PO McLaughlin Det. Bates and I met with Det.’s Cooke and Kirkpatrick and they advised us that they had already interviewed PO Fennel. All four of us were then assigned to go to Dolbeer St. to see if there were any witnesses to the assault on the three Probation Officers at this location.

On 10/23/06 at about 1645 hours, we all arrived at Dolbeer St. We met with several people that resided on this property. I interviewed regarding what he had seen. I interviewed in my vehicle. The interview was digitally recorded and later placed onto CD. A transcript was also prepared of this interview. The following is a summary of the interview I conducted with .
