### Low-cost rabies vaccines available

The Humboldt-Del Norte Veterinary Medical Association is sponsoring low-cost canine rabies vaccination clinics through mid-August.

During the clinics, dog vaccinations are \$10 each. Other canine and feline vaccinations will also be available. The cost of these vaccines will vary with each clinic. A complete clinic schedule follows below.

Dogs are required by state law to be vaccinated at 4 months, with a booster one year later and then every three years thereafter. Cats aren't required by law to be vaccinated. However, it is highly recommended as they frequently interact with wildlife.

Questions about rabies can be directed to the Humboldt County Department of Health & Human Services Environmental Health Division at 707-445-6215 or toll free at 800-963-9241.

The Humboldt-Del Norte Veterinary Medical Association rabies clinic schedule for 2020 is:

July 27-31: Riverwalk Veterinary Hospital from 9 to 11 a.m.

July 30: Sunny Brae Animal Clinic from 7 a.m. to 5 p.m.

Aug 1: Broadway Animal Hospital 8 to 11 a.m.

Aug 12: Myrtle Avenue Veterinary Hospital from 9 a.m. to 4 p.m.

Aug 19: Arcata Animal Hospital 9 a.m. to 1:30 p.m. and 2:30 p.m. to 4 p.m. (This clinic is by appointment only. Interested individuals should call Arcata Animal Hospital prior to the day of the rabies clinic to make an appointment.)

Please note: Due to COVID-19, clinic staff are taking additional precautions when interacting with clients. Please call ahead prior to bringing your pet to determine what steps need to be followed.
