## ORDER OF THE HEALTH OFFICER OF THE COUNTY OF HUMBOLDT MASS ISOLATION ORDER

**DATE OF ORDER: JUNE 29, 2021**

**Please read this Order carefully. Violation of or failure to comply with this Order is a misdemeanor punishable by fine, imprisonment, or both. {California Health and Safety Code, § 120295.}**

### SUMMARY OF THE ORDER

**California is in a State of Emergency, because of the Coronavirus Disease 2019 (COVID-19) pandemic.** The spread of the virus that causes COVID -19 is a substantial danger to the residents of the County of Humboldt ("County"). COVID-19 can easily spread between people who are in close contact with one another. This order is based on current scientific evidence and best practices. Exposure to COVID -19 can have serious health complications, including death in people who are vulnerable. There is evidence of transmission risk from infected persons, before the onset of symptoms. This means that people who contract COVID-19, whether they show symptoms or not, may place other vulnerable members of the public at significant risk. Vaccine is broadly available and at this time and it is the most efficacious way to prevent COVID-19.

The County Health Officer requires the isolation of people with COVID-19. Isolation separates people with COVID-19 from others, until it is determined that they are no longer at risk for spreading the disease. This is done to slow the spread of COVID-19, protect vulnerable individuals, and prevent the healthcare system in the County from being overwhelmed.

### **UNDER THE AUTHORITY OF SECTIONS 101040 AND 120175 OF THE CALIFORNIA HEALTH AND SAFETY CODE, THE HEALTH OFFICER OF THE COUNTY OF HUMBOLDT {"HEALTH OFFICER"} ORDERS:**

1. All individuals who have COVID-19, as described in Section 2 of this Order, must isolate themselves and follow all instructions in this Order and the Public Health guidance documents referenced in this Order. Self- isolation is required because a person with COVID-19 can easily spread the virus to others. Isolation separates these ill individuals from others to prevent the spread of COVID -19.

DHHS Administration  
phone: (707) 441-5400  
fax: (707) 441-5412

Behavioral Health  
phone: (707) 268-2990  
fax: (707) 476-4049

Social Services  
phone: (707) 476-4700  
fax: (707) 441-2096

2. For purposes of this Order, an individual is considered to have COVID-19 if the individual was diagnosed with COVID-19 on the basis of a positive lab test for the presence of the coronavirus (known as SARS-CoV-2) that causes COVID-19 and is infectious, as described in Section 3.c. below.
3. Instructions: All individuals who are diagnosed with COVID-19 must immediately take the following actions:
  - a. Isolate themselves in their home or another residence. They may not leave their place of isolation or enter any other public or private place, except to receive necessary medical care or during an emergency that requires evacuation to protect the health and safety of the person.
  - b. Carefully review and closely follow all requirements listed in the "Home Isolation Instructions" posted at [humboldt.gov.org/blanketorders](https://humboldt.gov.org/blanketorders) and attached to this order.
  - c. Tell their close contacts to carefully review and closely follow all requirements listed in the Health Officer's "Mass Quarantine Order," and the "Home Quarantine Instructions" posted at [humboldt.gov.org/blanketorders](https://humboldt.gov.org/blanketorders) and attached to this order, which describes steps that household contacts, intimate partners, and caregivers must take to prevent spread of COVID-19. Close contacts have likely been exposed to COVID-19 and if infected, can easily spread COVID-19 to others, even if they have only mild symptoms.
4. The period of isolation for an individual will be one of the following:
  - a. Individuals without symptoms must isolate for 10 days from the date of a positive test.
  - b. Individuals with symptoms must isolate until:
    - At least 24 hours have passed since resolution of fever without the use of fever-reducing medications **AND**
    - Improvement of symptoms, if present **AND**
    - At least 10 days have passed since symptoms started.
5. The Health Officer may take additional action(s), which may include civil detention or requiring one to stay at a health facility or other location, to protect the

public's health if an individual who is subject to this Order violates or fails to comply with this Order .

6. This Order shall become effective on June 29, 2020, and will continue to be in effect until it is extended, rescinded, superseded, or amended by the Health Officer. This Order shall replace the Mass Isolation Order previously issued on December 31, 2020.

7. Copies of this Order shall promptly be: (1) made available at the Humboldt County Department of Health & Human Services Public Health Branch, 529 I Street, Eureka, CA 95501; (2) posted on the Humboldt County website [humboldt.gov/blanketorders](http://humboldt.gov/blanketorders) and (3) provided to any member of the public requesting a copy.

8. If any provision of this Order or its application to any person or circumstance is held to be invalid, then the remainder of the Order, including the application of such part or provision to other persons or circumstances, shall not be affected and shall continue in full force and effect. To this end, the provisions of this Order are severable.

9. Humboldt County COVID Information Line during normal business hours, weekdays 8 a.m.-5 p.m. at **707-441-5000** or email us at [CovidInfo@co.humboldt.ca.us](mailto:CovidInfo@co.humboldt.ca.us).
