AHHA Budget	\$ 82,015.00
Total Amt of Proposals' Budgets	\$ 113,035.00
<hr/>	
Diff. between Set Aside & Budget of Proposals	\$ 31,633.00
<hr/>	

3/18/2021 Ad Hoc Committee Meeting Recommendations:

Ad hoc committee's recommendation to the full HTFHSC:

- Because this allocation is undersubscribed, the ad hoc committee recommends that the HTFHSC recommend that the County work with both organizations to see if there is a need for budget modifications to make use of the remaining funds, \$31,633, for this allocation.
- It is unclear if the AHHA application as filed meets the PLHA requirement for there to be a housing component. For the AHHA application, it is recommended that the County is to take the following actions:
 - Request technical assistance from HCD to review if this application as submitted meets the PLHA threshold requirements.
 - Status: County staff emailed the request for technical assistance the evening of 3/18/21. County staff is try to have the technical assistance meeting prior to the 3/25 HTFHSC meeting.
 - Marc volunteered to attend the HCD technical assistance meeting.
 - Marc is to contact AHHA to inquire if a representative from AHHA would be available to attend the HCD technical assistance meeting.
 - If HCD advises that it does not meet the threshold requirements, work with the AHHA to address outstanding items per HCD input.
- Overall, the ad hoc committee would like to see both applications funded.
