## 5 New Cases Reported Today; Sign Up for 'My Turn' Now

Five new cases of COVID-19 were reported in the county today. Three previously reported cases were determined to be from another county, and one was found to be a duplicate. That brings to 3,508 the total number of county residents who have tested positive for the virus.

Hundreds of COVID-19 vaccine appointments are available this week through the state's My Turn system.

Residents can sign up for an appointment at [myturn.ca.gov](https://myturn.ca.gov). The system is designed to notify users of appointments as they become available, but the best way to stay aware of openings is to regularly check [myturn.ca.gov](https://myturn.ca.gov). Read more about who currently qualifies for vaccination at <https://humboldt.gov.org/CivicAlerts.aspx?AID=3862>. Please note that vaccination will open to anyone age 16 and over on April 15.
