6 New Cases Reported; Johnson & Johnson Vaccine Supply to Increase Following State Incentive

Six new cases of COVID-19 were reported in Humboldt County today, bringing the total number of county residents who have tested positive for the virus to 4,285.

In light of the “Vax for the Win” campaign announced yesterday by the California Department of Public Health, Humboldt County Public Health is anticipating increased demand for the single-dose Johnson & Johnson vaccine and will be making more doses of it available locally. Learn more about “Vax for the Win” at covid19.ca.gov/vax-for-the-win or by calling 833-993-3873.

COVID-19 vaccine is widely available in Humboldt County. Public Health has two mass-vaccination clinics scheduled in Eureka over the next two weeks. Go to MyTurn.ca.gov to sign up. Appointments are encouraged but not required. See the schedule and which vaccines are offered below.
