7 New Cases Reported Today; Current Workplace Masking to Remain in Effect after June 15

Seven new cases of COVID-19 and one hospitalization were reported today in Humboldt County. The total number of county residents who have tested positive for the virus stands at 4,415.

The person who was hospitalized is in their 50s. A total of 195 people have been hospitalized in Humboldt County since the beginning of the pandemic. None of them were vaccinated.

As vaccination rates rise throughout the state, California is preparing to end the Blueprint for a Safer Economy on June 15. At this time, employees and customers in all businesses must continue to mask and socially distance regardless of vaccination status.

On June 9, California Occupational Safety and Health Administration (Cal/OSHA) withdrew its proposed revisions to facial covering guidance for the workplace. Currently, workplace regulations adopted [in November of 2020](#) remain in effect. However, Cal/OSHA stated it plans to present new revisions as early as June 17.

“Getting more people vaccinated will bring us closer to ending this pandemic,” said California Gov. Gavin Newsom at a recent news conference. Vaccinations are readily available in Humboldt County, through Public Health vaccination clinics, health care providers and participating pharmacies.

A family vaccination clinic is planned for Sunday, June 13, in partnership with the True North Organizing Network. Spanish-speaking staff will be on hand to assist community members as they go through the vaccination process. Walk-ins are welcome at this and all Public Health clinics, or people may schedule in advance through [MyTurn.ca.gov](https://myturn.ca.gov). See below for details.

Eureka – Sunday, June 13 – 2 to 5 p.m.

College of the Redwoods Gym (7351 Tompkins Hill Road)
Pfizer/Johnson & Johnson

The Pfizer vaccine is authorized for people age 12 and older, and the one-dose Johnson & Johnson vaccine is authorized for people 18 and older. A parent or guardian must accompany minor children to the clinic. Minor consent forms are available online in English and Spanish and may be printed and filled out for each minor child before coming to the clinic.

English: humboldt.gov/MinorConsentEnglish

COVID-19 vaccine is also available at many local pharmacies. Check availability at vaccines.gov, or text a ZIP code to 438829 to find a participating pharmacy nearby. Most pharmacies allow walk-ins.

The Humboldt County Joint Information Center will be closed from 8 a.m. to 1 p.m. Monday, June 14, as it moves to a new location. Please call 707-441-5000 after 1 p.m. for COVID-19 information.
