news release

Aug. 3, 2021

124 New Cases Reported from Friday to Monday

A total of 5,238 Humboldt County residents have tested positive for COVID-19 after 124 cases were reported in the time from the most recent report Friday through Monday. Four county residents were newly hospitalized in that time, two people in their 40s, one in their 60s and one in their 70s.

Since the last weekly update on July 26, Humboldt County has seen 260 new cases of COVID-19. Nine county residents have been hospitalized in the last week. Their age ranges are as follows:

- 3 people in their 40s
- 2 people in their 60s
- 3 people in their 70s
- 1 person over the age of 80.

Daily, weekly and monthly datasets on the Humboldt County Data Dashboard have been updated. View the Dashboard online at humboldt.gov/dashboard, or go to humboldt.gov/DashboardArchives to download the latest data.

For the most recent COVID-19 information, visit cdc.gov or cdph.ca.gov. Local information is available at humboldt.gov or by contacting covidinfo@co.humboldt.ca.us or calling 707-441-5000.
