COMMUNITY OF INTEREST MAPPING TOOL

INSTRUCTIONS

Please use this map as a tool to draw your community of interest. It is important to know about communities so new Supervisor district lines can amplify the voices of residents.

Examples of communities can include neighborhoods or planning zones, areas where many residents speak the same language, or even areas where the residents use the same county services or facilities.

To start, please include a title for your community, your name and email address, and a description of your community. Then draw your community on the map.
